UNION ELECTORAL TICKET.

The nomination of a Union Electoral ticket is warmly advocated by most of the Fillmore and Fremont papers of the State, and various modes have been proposed of carrying the proposition into effect.

Let the friends of Fremont and Fillmore mutually agree upon twenty-six names as Electors, and then let each of the parties select a twenty-seventh man to head the list.

The Philadelphia Daily News on the contrary, is opposed to the project of forming a Union Electoral ticket for the present.

Let the friends of Fremont and Fillmore mutually agree upon twenty-six names as Electors, and then let each of the parties select a twenty-seventh man to head the list.

The motives of the News may be good and its judgment correct, but in the interior of the State a different feeling undoubtedly prevails.

We give on the second page of to-day's paper, several columns of extracts from the report of the Committee of Congress appointed to investigate the Election frauds in Kansas.

THE KANSAS FRAUDS.

We give on the second page of to-day's paper, several columns of extracts from the report of the Committee of Congress appointed to investigate the Election frauds in Kansas.

The Philadelphia Daily News made its appearance in the fore part of the week considerably enlarged and printed on new type.

The U. S. Senate on Monday vetoed Pierce's last veto.

THE KANSAS BILL.

The bill which has passed the Senate in relation to Kansas will be strongly resisted by the Republican members of the House, and its passage in that body is not probable, although it is intimated that a sufficient number of professed Anti-slavery members will unite with the Democrats to give it a majority.

The bill to admit Kansas into the Union with her free constitution passed the House on the same day by a vote of 100 to 97.

TIMOTHY IVES FORCED OFF!—Our neighbor of the Democrat took us to task quite severely a couple of weeks since on account of a little paragraph in the Herald to the effect that there was something wrong in relation to Timothy Ives the democratic candidate for Surveyor General.

It will be seen that we have removed the name of Timothy Ives from our columns, as a candidate for Surveyor General.

The West Chester Republican (democratic) in commenting upon the matter, says, "the democratic party in this state has been cursed with a race of horribly corrupt men, who have constantly intruded themselves into important positions and by the force of party fealty have secured their elections."

KANSAS.—Gen. Persifer F. Smith it is now said has been ordered to the chief command of the troops in Kansas.

Gov Shannon is said to have resigned, but his resignation has not been accepted.

FACTS AND FIGURES.

It is already clearly demonstrated that the Buchanites calculate pretty largely upon the "game of brag" in the pending Presidential contest, and if we were to believe them, the "Sage of Wheatland" will carry a unanimous vote in the Electoral Colleges of the States.

AMENDMENTS TO THE CONSTITUTION.—The proposed amendments to the Constitution of this Commonwealth, which were adopted by the last Legislature, are published in the Herald to-day, by authority.

The census of 1850 shows the number of slaveholders in the country who own more than ten negroes each to be confined to 92,257 men.

TERRIBLE CALAMITY IN PHILADELPHIA.—The Philadelphia papers of Wednesday contain accounts of another appalling disaster that occurred at a wharf on the Delaware, on Tuesday evening last, by which it appears that over one hundred persons, men women and children, had, at an early hour in the evening gathered together upon the wharf at the foot of Reed street, belonging to Merrick & Son.

In an instant, not less than a hundred persons were precipitated into the water; others were otherwise seriously injured.

A SCENE IN CHURCH.—In the Epiphany Protestant Episcopal Church, of Philadelphia, on Sunday week, Rev. Dr. Tyng, preached a sermon against Slavery and the Kansas outrages.

POLYGAMY IN THE TERRITORIES.—The bill reported by Mr. Morrill, of Vermont, to suppress the practice of polygamy in the Territories of the U. States, has caused a sensation.

Town and County Matters.

COMMENCEMENT WEEK.—Our town is thronged with visitors this week, who have been attracted here by the interesting anniversary exercises of Dickinson College.

THE FOURTH.—The anniversary of Independence passed off without any public demonstration, and as a consequence our town presented rather a dull aspect through the day.

A pleasant spectacle was presented by the celebration of the children of the Sunday School connected with the First Presbyterian Church, who, accompanied by many of their parents and friends, made an excursion in the morning cars to Newville.

THE EVENING.—In the evening the public square was crowded with persons of both sexes to witness a fine display of fireworks which had been provided by a committee of gentlemen, and to listen to the inspiring music of the Garrison Band.

HORRIBLE MURDER.—The Harrisburg papers give the particulars of a murder, committed on Sunday evening last week, in East Pennsboro Township in this county.

THE FOURTH IN PAPERTOWN.—MR.

Editor: I had the pleasure of spending the 4th in Papertown, and with your permission will notice briefly the Sunday School celebration which took place on that day.

We closed our 4th by attending a Temperance meeting at the church in the evening, which was addressed by Rev. B. C. Lippincott, of Dickinson College.

SHOCKING ACCIDENT.—A terrible accident occurred on the Pennsylvania railroad on Friday morning last. It seems that a German named Adam Schisler, from Mahoning county, Ohio, got into the cars at Pittsburg with a through ticket to Harrisburg.
