VOICE OF CLAY AND WEBSTER.

Henry Clay on Slavery Extension.

In his great speech on the Compromise measures...

"I repeat that I never can, and never will, and no earthly power will ever make me, vote to extend Slavery over territory where it does not exist."

Henry Clay on Buchanan.

In Mr. Clay's private correspondence, published last year...

"Of the candidates spoken of on the Democratic side, I confess that I should prefer Gen. Cass. He is, I think more to be relied on than any of his competitors."

Daniel Webster on Slavery Extension. As coming appropriately in this connection, we quote a brief passage from DANIEL WEBSTER'S great speech of March 7, 1850—also his last great effort in the Senate.

"Sir, wherever there is a substantial good to be done, wherever there is a foot of land to be prevented from becoming Slave territory, I am ready to arrest the principle of the extension of Slavery."

COUNTY CONVENTION.

The voters of Cumberland County, opposed to the present National Administration, and to the nominees and platform of the Cincinnati Convention, are requested to meet in their respective wards, boroughs, and townships...

CARLISLE ELECTIONS.

Elections of Delegates to the above Conventions will be held, for the East Ward, at the public house of Joseph Heiser...

OUR FLAG.—The habitual readers of our paper know that for years past we have steadily opposed the extension of human slavery.

A SURE SIGN. The "Signs of the Times" are not to be mistaken, they point emphatically to the election of John C. Fremont as our next President.

THE NEW GOVERNOR OF KANSAS.—The Washington Union, in speaking of Col. Geary, the newly appointed Governor of Kansas, says that "it will be his object, as it is his duty, to execute the Kansas law in its true spirit—to secure to the bona fide settlers the right to regulate their domestic institutions in their own way, uninfluenced by interference from any quarter."

PERSONAL ABUSE OF FREMONT.

That the locofoco press is alarmed at the enthusiasm which has followed the nomination of Col. Fremont, and that the chances of Mr. Buchanan are already assuming a dangerous aspect, is strikingly shown by the amount of personal abuse which is daily heaped upon the gallant young leader of the great Republican host.

The war of defamation and calumny has now opened against Col. Fremont, and we may expect it to be pursued to the bitter end. Every means will now be used to blacken his character as a military man.

UNION MOVEMENT IN LANCASTER.—Committees representing the Americans, Republicans and Whigs of Lancaster county, met in the city of Lancaster, on Thursday last, and agreed upon a call for a union Convention to nominate a county ticket.

SOUTHERN ELECTORAL TICKETS.

It is now stated that the Republicans have determined to run an electoral ticket in Maryland, with Francis P. Blair as one of the electors at large.

SOUTHERN ELECTIONS.

State elections were held on Monday in Kentucky, Missouri, Indiana, Iowa, Arkansas and Texas.

THE FREMONT COURT MARTIAL.—The Volunteer assails Col. Fremont as having in 1847 been "arraigned before a court martial of the ablest officers in the U. S. Army for mutiny and disobedience of orders, found guilty and dismissed from the service."

THE HARD AND SOFT SHELLS of the New York Democracy.

THE HARD AND SOFT SHELLS of the New York Democracy, held a joint Convention at Syracuse last week, and resolved to fuse upon one ticket in the ensuing canvass.

FRESH DIFFICULTIES IN KANSAS.

Advises from Leavenworth, Missouri, to the 30th ult. have reached Chicago. Col. Lane and his company had not yet entered Kansas territory.

FREMONT IN WESTERN PENNA.

In response to inquiries about the prospects for Fremont in Western Pennsylvania, the Erie Constitution gives the following cheering intelligence:

In Erie county we will certainly have 2,000 majority; Crawford not less than 1,500, and possibly 1,800; Warren over 500; in Venango 500; Mercer probably 700; Lawrence 1,000; Butler 700; Beaver 800; Allegheny 4,500; Westmoreland is confidently claimed for Fremont—we name no majority; Washington 800; Fayette 800; Armstrong 800; Indiana 2,000; Jefferson 800; Clarion and Greene will probably give majorities for Buchanan.

A letter recently published from a gentleman in Pittsburg, who has ample opportunity to know all the ins and outs of politics in his section, assures us that the future for FREMONT in the western and northern part of the State exceeds that for HARRISON in 1840.

THE DRUMORE SHOEMAKER FOR FREMONT.

Dr. C. M. Johnson, a member of the Democratic County Committee of Lancaster county, has publicly announced his purpose to support Col. Fremont.

PRENTICE ON RIFLES.

Mr. Burlingame being challenged by Mr. Brooks, decided to fight in Canada with rifles.

COL. FREMONT'S RELIGION.

Capt Barney says "he has known Col. Fremont and family since 1849.

HENRY A. WISE ON OLD BACHELORS.

The following occurs in a speech delivered in Congress some years ago by the present Executive of Virginia:

GRAND REPUBLICAN RALLY AT ANDERSONVILLE, GA.

A grand Republican Rally took place at Andersonville, Indiana, on the 26th ult.

Every locofoco paper has for years preached up the doctrine that the consumer pays the duty.

Mr. Buchanan, in his speech to the Keystone Club, accepting the nomination says:

Being the representative of the great democratic party, and not simply James Buchanan, I must square my conduct according to the platform of that party, and insert no new plank, nor take one from it.

Holloways Pills may be taken with perfect safety by both sexes, and all ages, their effect being mild yet positive.

JUDGE McLEAN'S POSITION.—A report has been circulated in the opposition presses that Judge McLean has pronounced for Fillmore.

A letter was read to me to-day, from Judge McLean, in which he says that the "united German residents" of the western sections of Pennsylvania will vote almost unanimously for Fremont.
