This Association is founded upon houest and feir principles. Each book purchaser gets the value of his inoney in the book, and on account of the great number sold, becomes a shareholder in much valuable property. A certificate will be presented to each book purchaser, entitling the holder to an interest in the above valuable property. As soon as the books are all sold notice will be given to the stockholders, and a convention will be held in Newville, at the Institute's Hall when a Committee will be chosen, to whem the property will be delivered, to be distributed among the shareholders. All the articles that can, will be exhibited at the Institute's Fair, on the 12th of August. From the very flattering manner in which this Joint Stock Association is received and patronized, and from the number of tickets already sold, it is confidently believed that the property can be delivered to the share holders in a few months. For the character of the "Big Spring Literary Institute," and those connected with it, we are permitted to refer to the following gentlemen:
