Dr. Sr.:—Having become prematurely quite gray, I was induced, some six weeks since, to make a trial of your Restogrative. I have used less than two bottles, but-the gray-hairt-have-all-disappeared; and although my hair-has not fully attained its original color, yet the process of change is gradually going on, and I am i great hopes that in a short time my hair will be as dark as formerly. I have also been much gratified at the licality moisture and vigor of the hair, which before was harsh and dry, and it has ceased to come out as formerly. 395 37 241 4434 Respectfully yours,
