ONLY ONE BOTTLE OF DR SANDFORDS Invigorator, or Liver Remedy Invigorator, of Liver Relieuy.

Is required to cure any one troubled with Liver Complaints, unless the miost desperate of cases, when the
second bottle will, with scarce a single failure, restorthe patient to health and vigor. We wish to call the
titention of all to these facts, that the Invigorate is
compounded by a physician who has used it in a his ris

formed when it is known one bottle of the Invigorator
contains as, much strongth as one hundred doses of Caomed without any of its deleterious effects.

One bottle is the surest thing known to carry away the had a feets of minoral poison of any kind.
Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.
One bottle taken for Janualice removes all yellowness or unnatural color from the skin.

Of One two doses taken occasionally is one of the best renedies for a cold over known.

Thousands of cases of inflammation and weakness of the lungs have been cured by the luvigerator. One dose taken a short time before eating gives vigor to the appetite and makes food digest well.

One dose often repeated cures Chronic Diarrhea, in its worst forms, while summer and bowel complaints yield almost to the first dose.

One or two doses cures aftecks caused by worms, while for worms in children, there is no surer, safer and speculier remedy in the world, as it never fails.

There is no engreration in those statemeLts, they are plain-and coher-facts, that we can, give orldence to prove, while all who use it are giving their unanimous testimony in its favor.

Is, no doubt, the most wonderful discovery of this age of progress, for it will restore, permanently, gray hair to its original color, cover the head of the hald with a most luxuriant growth, romove at once all danulruf, and liching, cure all scrotlin, and other cutaneous crutions, such as scald head, otc. The will cure, ag if by margic, nervous or periodical headache; make the hair sort glossy, and wavy; and preserve the color perfectly, and the hair from failing, to extreme old age.

The following is from a distinguished member of the medical profession:

Sr. Paul, January 1, 1855.

Br. Paul., January 1, 1855.

PROFESSOR O. J. WOOD—

Drau Sin:—Unsolicited, I send you this certificate. After being nearly baid for a long time, and having tried all the hair restoratives extant, and having tried all the hair restoratives extant, and having no faith in any, I was induced, on hearing of yours to give it a trial. I placed anyself in the haids of a barber, and had my head rubbed with a good stiff brash, and the restorative then applied and well rubbed in, till the scalp was aglow. This I repeated every morning, and in three weeks the young hair appeared and grew rapidly from August last till the present time, and is now thick, black and storng—soft adupleasant to the touch whereas, before, it was harsh and why, what little touch was of it. and that, little was disappearing very publicated was of it. and that, little was disappearing very publicated with the second of these things—and who has not? but have not seen hitherto any case where any person's hair was really benefitted by any of the hair tonic, etc., of the day: and it really gives mis pleasaure to record the result of my experience. I have recommended your proparation to others, and it already has a large and generous sale throughout-the-Toeritory. The people hereals where the selects, and have confidence in it. The supply you sent us, as wholesale agents for the Territory, is nearly exhausted, and daily inquiries are made for it. You deserve credit for your discovery, and I for one, return you my thanks for the benefit it has done me, for I certainly had despaired long ago of over effecting any such result.

any such result.

DE®a Sin:—Having become prematurely quite, gray, 1
was induced, some six weeks since, to make a trial of
your-Restorative. I have used less that two bottles,
but the gray hairs have all disappeared; and although
my hair has not fully attained its original color, yet
the process of change is gradually going on, and I am
in great hopes that in a short time my hair will be as
dark as formerly. I have also been much gratified at
Zible healthly moisture and vigor of the hair, which before was harsh and dry, and it has ceased to come out
as formerly.
