[Rostos, 27 School Street, Merch 20, 1850.

Dear Sin:—Having became prematurely quite gray; I was induced, some six weeks since; t. make a trial, of your Rest.-rative. I have used less than two bottles, that the jury hairs have all disappeared; and although my hair has not fully attained its original color, jet the process of change is granually going on; and I am I great knopes that in a short time my hair will be used ark as formerly. I have also been much gratified at the healthy moisture and view of the hair, which before was barch and dry, and it has teased to come out as formerly.

Respectfully yours,

Invigorator, or Liver Remedy Invigurant, or liver hemony is required to cure any one troubled with layer Complaints, unless the most desperate of cases, when the second bottle will, with scarce a single failure, restorate patient to health and vigor. We wish to call the attention of all to these fasts, that the invigorator is compounded by a physician who has used it in his practice for the past twenty years with a success almost crodulous, and that it is entirely vegetable, being composed wholly of gumes. dulous, and that it is control, posed wholly of gums.

Some idea of the strongth of these gums may be formed when it is known one bottle of the Invigorator contains as much strength as one hundred doses of Calomel without any of its deleterious effects.

loned without any of its deleterious effects.

One bottle is the surest thing known to carry away the laid elects of unhered pisson of any kind. Only one bot the is needed to throw out of the system the effects of medicine after a long sickness. One bottle taken for Jaundice removes all yellowness or unnatural c-ber from the skin.

One dose after eating its sufficient to relieve the stomach and prevout the food from rising and scouping. Only one dose taken before retiring prevents night unre.

One dose taken at night loseens the bovels goutly, and cures resilvenses.

unire.

One dose taken at night loosens the bowels gently, and cures restivents.

Inc dose taken after each meal will cure Dyspepsia.

One dose, of two ten-spoonsfull will always relieve sick Headache.

The bottle taken for fomale obstruction removes the cause of the disease and makes a perfect cure.

Only one dose inmediately relieves the local cone dose often repeated in a sure cure for Cholers, Morlus, and a sure preventation of the disease of the control of the dose taken the treatment of the dose taken short the before acting gives vigor the best remodes of cases of inflamation and weakness of the burst of a cold each known.

The dose often repeated curs Chronic Diarrhea, in its worst forms, while summer and bowel complaints yield almost to the first dose.

One by two doses cures attacks caused by worms, while for worms in children, there is no styre, safer and specific runedy in the wird, as it prove fails.

There is no exaggeration in these statements, they are plain und sober facis, their we can give evene to prove, while all who use it are giving their unanimous testiniony in its favor.

We wish all who are sick and, debilitated to try this remody, and test it theroughly, and any who are not benefited by its use we should like to hear from, as we have yet to hear from, the first person who has used a hottle of Invigorator without receiving before, for there are such antonitating modical virtues in it. that all, no matter how long they have been affected, if their complaint arises from a deranged liver, will be benefited from ontrietly gived.

ANNY'S COMBINED REAP!

MANNY'S COMBINED REAPING AND MOWING MACHINE,

WITH WOOD'S IMPROVEMENT. WITH WOOD'S IMPROVEMENT.

In putting these machines into the inacket for the harvest of 1857, I have the best grounds for belleving they will meet an extensive sale and prove as entirely satisfactory to the farmers of Tumberland county as they have proved herete fore. Up to this, time there has not been another Combined Resping, and Mowing, Machine made that Has succeeded to an extent that will warrant a manufacturer in building, or a farmer in by ling it for a combined machine; while the Manny Machine as made by Wood has been, as successful for both purposes, Reaping and Mowing! that in sections where they have been used, their reliability is as well-established as that of any other implement used by the farmer.

After the experience and contests of the last harvest, we deem it only necessary to refer those wishing to hay a Combined Machine to the following pleasons who used Manny's Machine in cutting their crops last year, the Fied's. Watts, Esq., John Yoble, William Barr, Ayraham Bradley, Joseph-A Start, James Stuart, Edward W. Weakley, Peter Louck, William Moore, Christian, Herr, Williams Parker, Jumes tightham, Bobert Bryson, Samuel Allen, Solomon Hoke, Jonas Rudy, John M Woodburn and John Eckerd.
