EREDONIA, July 17. DR SETH W. FOWLE. Dear Sir; From my youth I have been subject to lung complaints. In February last I took cold a cough set in, l'expectorated freely, but the mucoug raised from the lungs indicated a disease deeply seated. Two-or three physicians kindly sent me their medicines, which have been very efficient in curing coughs, but they failed to reach my cass. In the latter part of April I loft home, intending to travel a while, and if pos-sible, escape by that means from present dan ger. When I reached Buffalo my cough was considerably aggravated. A frie d there ad-vised me to try ibe "Balsam of Wild Cherry;" but I told him I had swallowed medicine enough. The next day my friend urged me again to try "Dootor Wistar," and at 3 P. M. I was willing to try any thing; for 1 coughed constantly.I proceeded a bottle, drank of it.

continued taking it from that bottle one week and when the Balsam was gone my cough and pains were gone, and I have not coughed since. Respectfully your
