A CURSE REMOVED .- Womanhood every where is experiencing the evil effects of the curse inflicted on her sex, by Eve's disobedience in the garden of Eden. Ever since our ancient mother's first effort to hide her shome for violating the express will of her Creator, by sewing together and wearing fig leaves, her-daughters have been doomed to "stitch away their lives," in obedience to the exorbitant demands of fashion, in the modern adornments of her sex. The only relief they can ever expect from the drudgery of hand sewing, must be found in the introduction of a GROVER & BAKER Sewing Machine Into every will have amp'e leisure to bestow attention to the education of her childred, do better rewing than by hand, and have better health and more comfort than she can possibly have without a Grover & Baken Machine.

The supply you sent us, as wholesale agents for the Territory, is nearly exhausted, and daily inquiries are made for it. You deserve credit for your discovery, and. Dran Sin:—Having become prematurely quite gray;

I have used less than two bottles, but the gray hairs have all disappeared; and although my hair has not fully attained its original color, yet the process of change is granually going on, and I am in great hopes that in a short time my lish; will be as dark as formerly. I have also been much gratified at the healthy moisture and vigor of the hair, which before was harsh and dry, and it has essed to comeout as formerly.
