A RARE CHANCE.—A desirable

opportunity is now afforded to any wishing to engage in a profitable business, for the purchase of a well known and lucrative DRY GOODS STORE, which is offered for sale solely on account of the continued ill health of the subscriber, which renders him unfit for business. The stock, which is not large, will be disposed of at a great discount. The store is located in the centre of the town in an excellent situation. It has been established many years, and in addition to its valuable custom, it is but little trammeled by competition, being one of but five stores in a town of considerable size, commanding also a large and well paying country custom. The room is fitted up in modern style, with furnace and gas, and will be rented or sold if desired. For further information apply immediately to

2. Register your letter, and it will come at my risk.

3. New York and Eastern money preferred.

SEE THE FOLLOWING:

RATS, ROACHES, BUGS, INSECTS, &c.

What the Farmers say:

A late writer says that "the various species of vermin are multiplying at a fearful rate throughout the land. Their ravages have become a matter of serious dread." A Postmaster in Illinois, writing to "Costar's" Depot, says, "The country is literally overrun with them (rats, mice, &c.)" Another from the same State, says, "The rats positively gnaw the halters off my horses while in the stable." An Ohio Correspondent remarks, "They (the rats) are everywhere—in the house, the barn, and under every stump in the field." In the South it is still worse. A late order from the Navy Yard at Mobile was for thirty pounds of the Rat Exterminator alone.

What the People say:

NEW YORK, April 12, 1856.

DEAR SIR,—Having a great many rats around my stable and shop; I thought I would try your Rat Exterminator, and bought one of your boxes, and I fixed it according to your directions. The next morning I found over one hundred and fifty dead rats. I take pleasure in saying that it will do more than you say it will. I have also tried it on steamboats, and satisfied them that it is the greatest thing of the age.

J. S. UNDERHILL, No. 435 10th st.

CAVE, Ill., June 21st. 1857.

DEAR SIR.—My brother, J. W. McCreery, P. M., purchased a box of your Rat Exterminator, and found it to be what you recommend it to be, a perfect Rat destroyer. I heretofore inclose $5 for more of it.

Yours, &c., ASHLEY McCREERY.

NEW YORK, Dec. 17, 1857.

SIR,—* * All this summer I have been troubled with Roaches and Mice. I was actually ashamed of the house, for the Roaches were everywhere, and I don't know what I should have done by this time. I purchased a box of your Exterminator and tried it, and in one week there was not a Roach or Mouse in the house

JOHN B. GIVENS, No. 94 Elm st.

MOORE'S SALT WORKS, Ohio, June 8, 1857.

DEAR SIR.—I have use it (the Rat, Roach, &c., Exterminator) three nights, and it is making a sad havoc among the Rat tribe. Yours, &c.,

J. B. BECOM.

What the Press say:

We know, by actual experience, that "Costar's" preparations for Rats, Roaches, Bed Bugs and Insects generally, are complete and perfect exterminators. Wherever "Costar's" Exterminators have been used, they have never failed to perform all that is claimed for them. Housekeepers should not fail to try them.—N. Y. ATLAS, May 17th.

What the Druggists say:

A. J. BLOCKSOM, (Druggist) New Lisbon, O. "Your Exterminator proves satisfactory."

G. & T. E. McDONALD, (Druggists) New Brunswick, N. J. "We tried the Rat, Roach, &c., Exterminator, and it answered a good purpose."

B. E. CUNNINGHAM (Druggist), Beaver Dam, Wis. "It (the Rat, Roach, &c., Exterminator) is highly satisfactory to those who have tried it."

SAMUEL HILL, (Druggist,) Deer Creek, Pickaway Co., O. "The Rat, Roach, &c., Exterminator does all it is recommended to do."

GUILFORD & LEMBERGER, (Druggists) Lebanon, Pa. "We are pleased to say that which is sold gives satisfaction."

A GREAT BOOK FOR AGENTS!

Published this day, Feb 9th, 1858.

FIFTY YEARS IN CHAINS:

OR, THE LIFE OF AN AMERICAN SLAVE.

WRITTEN BY HIMSELF.

430 Pages, Cloth, Gilt Back. Price $1.

This is the title of one of the most intensely interesting biographies of the day. It is the plain history of an American Slave in the far South, who, after two or three escapes and recaptures, finally, an old man, found freedom and rest in one of the Northern States.

What the Press Say.

The story is told with great simplicity, but with much power and pathos. Whoever takes it will find it difficult to lay it down until it is finished.—NATIONAL ERA, Washington, D. C.

A narrative of real experience like the above, will have far more effect against slavery than the ingeniously wrought novel, however true to life its pictures may be.—AM. BAPTIST

Here is the book of facts, stranger than fiction, and a thousand fold more thrilling; a simple tale of lifelong oppression, revealing truly the workings of the "peculiar institution" in our country. To the story-loving we would say, here is a story worth reading.—MISSION RECORD.

A THOROUGH CANVASSER IS WANTED.

In each county in the free States, to engage in the sale of the above work immediately. Such can easily clear from

$50 TO $100 PER MONTH!

The work is beautifully printed and bound, and is as large as the books that sell for $1 25; but as we mean to sell at least ONE HUNDRED THOUSAND COPIES, through agents, we have made the retail price only ONE DOLLAR.

A SAMPLE COPY of the book will be sent by mail, postage paid, on receipt of the price, and our private circular to Agents, with terms, etc. Address

DR. W. H. WITMOR, OF PHILADELPHIA. Where he has been in successful practice for a number of years, received his education at the best Medical College in the United States and had the experience and practice in the different Hospitals for several years, a member of the Analytical Medical Institute of New York, and late Medical Surgeon of the United States Navy, now offers himself to the public to attend any professional calls.

The purest medicines always on hand direct from the best Laboratories of our country, and the Botanical Gardens of the world. No patent medicines prescribed or recommended. Medicines used only which will not break down the constitution, but will renovate the system from all injuries it has sustained from mineral medicines. Chronic and difficult diseases must be treated upon analytical principles, which is to know and ascertain what disease is. Its nature and character require a knowledge of the chemical constituents of every solid and fluid of the human body; the changes those solids and fluids are capable of undergoing. To know what medicines to employ to cure diseases, requires a knowledge of the chemical constituents of all agents employed in medicine; and if we are in possession of this knowledge, it is possible to cure any disease—no matter of how long standing—and leave the patient in a healthy and perfectly-cured condition.

Melancholy, Aberration, or that state of alienation and weakness of the mind which renders persons incapable of enjoying the pleasures or performing the duties of life; Dyspepsia, that distressing disease and fell destroyer of health and happiness, undermining the constitution, and yearly carrying thousands to untimely graves, can most emphatically be cured. Rheumatism, in any form or condition, chronic or acute, warranted curable; Epilepsy or falling sickness; all chronic and stubborn cases of Female Diseases radically removed; Salt Rheum, and every description of ulcerations; Piles and Scrofulous Diseases, which have baffled all previous medical skill can be cured by my treatment, when the constitution is not exhausted.

I do say all diseases (yes CONSUMPTION) can be cured.

☞ Cancer cured without the knife.

I will remain in my office on WEDNESDAYS and SATURDAYS, from 9 o'clock A. M. to 3 P. M., to accommodate patients from a distance, and consult in the English and German languages. Will make visits to any distance if required. May be addressed by letter, Fulton Square, Lancaster city, Pa.

LITTELL'S LIVING AGE.

NEW SERIES.

PUBLISHERS' PROSPECTUS.

On the 3d of April, 1858, was commenced the NEW SERIES OF LITTELL'S LIVING AGE, enlarged to eighty pages, handsomely printed on fine paper with cut edges, issued weekly.

The long established and deservedly high reputation which this esteemed work has enjoyed, renders it superfluous to refer to its claims as a most choice and ably conducted compendium of the best literature of the times. Comprising, as it does, the creme de la creme of all the world-renowned Reviews and Periodicals of Europe, as well as original articles and occasional selections from the best fugitive literature of our own country, it will be at once apparent that it possesses a character alike unique and unrivalled, suitable for all classes of readers—the Statesman, Student, Philosopher, and Family Circle. In addition to the intrinsic quality of its literary contents, the quantity of reading matter embraced in a single yearly volume of this work amounts to four thousand one hundred and sixty pages, the subscription price of which is only Six Dollars per Annum; prepaid to any address—thus constituting it THE BEST, AND CHEAPEST PERIODICAL IN THE WORLD.

This work has received the universal approval of the press, religious and secular, and also the cordial approbation of many eminent men of our country—such as,

CHIEF JUSTICE STORY, GEO. TICKNOR,
Hon. GEO. BANCROFT, W. H. PRESCOTT,
CANCELLOR KENT, JARED SPARKS,
J. Q. ADAMS.

Complete sets, or single volumes handsomely bound packed in neat boxes, and delivered in all the principal cities, free of expense of freight, are for sale at Two Dollars a Volume.

Any number may be had for 12½ cents; and it may be worth while for Subscribers or Purchasers to complete any Broken Volumes they may have, and thus greatly enhance their value.

STANFORD & DELISSER,
(Successors to Stanford & Swords. Established 1787.)

April 14, '58.] Publishers, New York.

10,000 A YEAR.—$5,00, $10,00, and in one case, $25,00 have been made in one day by selling what I furnish on receipt of $1,00. It is entirely new, and what takes in the country like wildfire; can be sold to every person, male or female. The business is very easy, and perfectly honorable. Try it—you cannot help but succeed. The article will sell itself readily, wherever shown. I send circular, with full instruction and with complete samples, on receipt of $1,00; or I will sell an exclusive right for any country town with less than 10,000 inhabitants, for $5,00; large cities not for sale. This is no humbug, catch-penny affair, but one in which many thousands of dollars will soon be made by some one. Come, now is your only chance. Address,

JNO. PATTEN, JR. & BENJ. LYNDE, PROPRIETORS.

Feb. 3, 1858.—3mos.

AN ENGLISH LADY, widow of the late Archibald Fitzgibbon, Professor of Chemistry, having decided upon making America her future home, is induced from the most generous motives to give to all who may require it, a Recipe (discovered by her husband, and now in her possession only) for making a preparation for restoring Hair to Bald Persons, changing it to its original color, if it has become Grey, and preventing it from falling out. The preparation can be made at a very small cost. Persons sending for the Recipe should enclose five postage stamps, (Fifteen Cents,) to pay return postage, and printing.—Mrs. Fitzgibbon desires that all correspondence be carried on with her son, who will devote as much of his time as the carrying out of his mother's wishes will require. Address ALFRED A. FITZGIBBON, New York P. O.

CONSUMPTION, SCROFULA, COUGHS, CHRONIC RHEUMATISM, DEBILITY, and all Diseases arising from a Scrofulous or Impoverished state of the Blood: HEGEMAN, CLARK & CO'S. *GENUINE COD-LIVER OIL,*

Has stood the test of over ten years experience, and is recommended by all the most eminent physicians the most valuable remedy in use. Dr. Williams, the celebrated Physician of the London Consumption Hospital, took notes of its effects in about 500 cases, and found it more efficacious than all remedies yet discovered. This remedy, so valuable WHEN PURE, becomes worthless or injurious when adulterated. See that the label has the eagle and mortar, and the signature over the cork of each bottle, as thousands have been cured by the use of the genuine article who had used others without success. Sold by all Druggists.

Medicines.

PROFESSOR WOOD'S HAIR RESTORATIVE,

is, no doubt, the most wonderful discovery of this age of progress, for it will restore permanently, gray hair to its original color, cover the head of the bald with a most luxuriant growth, removes at once all dandruff and itching, cures all scrofula, and other cutaneous eruptions, such as scald head, etc. It will cure, as if by magic, nervous or periodical headache; make the hair soft, glossy, and wavy, and preserve the color perfectly, and the hair from falling, to extreme old age.

The following is from a distinguished member of the medical profession:

ST. PAUL, January 1, 1856.

PROFESSOR O. J. WOOD—

DEAR SIR:—Unsolicited, I send you this certificate. After being nearly bald for a long time, and having tried all the hair restoratives extant, and having no faith in any, I was induced, on hearing of yours to give it a trial. I placed myself in the hands of a barber, and had my head rubbed with a good stiff brush, and the restorative then applied and well rubbed in, till the scalp was in a glow. This I repeated every morning, and in three weeks the young hair appeared and grew rapidly from August last till the present time, and is now thick, black, and strong—soft and pleasant to the touch whereas, before, it was harsh and wiry, what little there was of it, and that little was disappearing very rapidly. I still use your restorative about twice a week, and shall soon have a good and perfect crop of hair. Now, I had read of these things—and who has not? but have not seen hitherto any case where any person's hair was really benefitted by any of the hair tonics, etc., of the day; and it really gives me pleasure to record the result of my experience. I have recommended your preparation to others, and it already has a large and generous sale throughout the Territory. The people here know its effects, and have confidence in it. The supply you sent us, as wholesale agents for the Territory, is nearly exhausted, and daily inquiries are made for it. You deserve credit for your discovery, and I for one, return you my thanks for the benefit it has done me, for I certainly had despaired long ago of ever affecting any such result.

Yours hastily,
J. W. BOND,
Firm of Bond & Kelley, Druggists, St. Paul.

[From the Editor of the Real Estate Advertiser.]

BOSTON, 27 School Street, March 20, 1856.

DEAR SIR:—Having become prematurely quite gray; I was induced, some six weeks since, to make a *trial of* your Restorative. I have used less than two bottles, but the gray hairs have all disappeared; and although my hair has not fully attained its original color, yet the process of change is granually going on, and I am in great hopes that in a short time my hair will be as dark as formerly. I have also been much gratified at the healthy moisture and vigor of the hair, which before was harsh and dry, and it has ceased to come out as formerly.

Respectfully yours,
D. C. M. RUPP,

Professor Wood.

CARLYLE, Illinois, June 19, 1855.

I have used Professor Wood's Hair Restorative, and have admired its wonderful effect. My hair was becoming, as I thought prematurely gray, but by the use of his "Restorative," it has resumed its original color, and I have no doubt, permanently so.

THE LIVER INVIGORATOR!

Prepared by DR. SANFORD.

IS A GREAT SCIENTIFIC MEDICAL DISCOVERY, and is daily working cures, almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of LIVER Complaint, from the worst Jaundice or Dyspepsia to a common headache, all of which are the result of a **Diseased Liver.**

SANFORD'S LIVER INVIGORATOR

The **Liver** is one of the principal regulators of the human body, and when it performs its functions well the powers of the system are fully developed. The *stomach is almost entirely* dependent on the healthy action of the Liver for the proper performance of its functions; when the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of one organ—the **Liver** — having ceased to do its duty. For the diseases of that organ, one of the proprietors has made it his study, in a practice of more than twenty years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with **Liver Complaint** in any of its forms, has but to try a bottle, and conviction is certain.

A compound has been formed by dissolving gums and extracting that part which is soluble for the active virtues of the medicine. These gums remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, purifying the blood, giving tone and health to the whole machinery, removing the causes of the disease, and effecting a radical cure without any of the disagreeable after effects, felt by using **Calomel** or **Mineral Poison** that is usually resorted to.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring prevents nightmare.

Only one dose taken at night loosens the bowels gently, and cures costiveness.

One dose taken after each meal will cure Dyspepsia.

☞ One dose of two teaspoonfuls will always relieve Sick Headache.

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves Cholic, while one dose often repeated is a sure cure for **Cholera Morbus,** and a preventive of **Cholera.**

One dose taken often will prevent the recurrence of **bilious attacks,** while it relieves all painful feelings.

☞ Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

One bottle taken for **Jaundice** removes all yellowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite and makes food digest well.

One dose often repeated cures **Chronic Diarrhœa** in its worst forms, while **summer** and **bowel** complaints yield almost to the first dose.

One or two doses cures attacks caused by worms, while for worms in children, there is no surer, safer or speedier remedy in the world, as it never fails.

There is no exaggeration in these statements; they are plain sober facts, that we can give evidence to prove, while all who use it are giving their unanimous testimony in its favor.

We take infinite pleasure in recommending this medicine as a preventive for **Fever and Ague, Chill Fever** and all **Fevers** of a **Billious Type.** It operates with certainty, and thousands are willing to testify to its wonderful virtues.

Among the hundreds of **Liver Remedies** now offered to the public, there are none we can so fully recommend as **Dr. Sanford's Invigorator,** so generally known now throughout the Union. This preparation is truly a LIVER INVIGORATOR, producing the most happy results on all who use it. Almost innumerable certificates have been given of the great virtue of this medicine by those of the highest standing in society, and we know it to be the best preparation now before the public.—Hudson County Democrat.

TO INVALIDS.

Dr. Hardman, Analytical Physician,

Physician for diseases of the lungs, Throat and Heart, formerly Physician to the CINCINNATI MARINE HOSPITAL also to INVALIDS RETREAT.

Author of "Letters to Invalids" *is coming* See following Card.

APRIL APPOINTMENTS.

DR. HARDMAN, PHYSICIAN FOR disease of the Lungs, (formerly Physician to Cincinnati Marine Hospital,) will be in attendance at his rooms as follows:

Carlisle, Mansion House, Thursday, April
Shippensburg, Union House, April 30.

Dr. Hardman treats Consumption, Bronchitis, Asthma, Laryngitis, and all diseases of the throat and lungs, by medical Inhalation, lately used in the Brompton Hospital, London. The great point in the treatment of all human maladies is to get at the disease in the direct manner. All medicines are estimated by their action upon the organ requiring relief. This is the important fact upon which Inhalation is based. If the stomach is diseased we take medicine directly into the stomach. If the lungs are diseased, breathe or inhale medicated vapors directly into the lungs. Medicines are the antidotes to disease and should be applied to the very seat of disease. Inhalation is the application of this principle to the treatment of the lungs, for it gives us direct access to those intricate air cells and tubes which lie out of reach of every other means of administering medicines. The reason that Consumption, and other diseases of the lungs, have heretofore resisted all treatment has been because they had never been approached in a direct manner by medicine. They were intended to act upon the lungs and yet were applied to the stomach. Their action was intended to be local, and yet they were so administered that they should act constitutionally, expending immediate and principal action upon the unoffending stomach, whilst the foul ulcers within the lungs were unmolested. Inhalation brings the medicine in direct contact with the disease, without the disadvantage of any violent action. Its application is so simple that it can be employed by the youngest infant or feeblest invalid. It does not derange the stomach, or interfere in the least degree with the strength, comfort, or business of the patient.

OTHER DISEASES TREATED.—In relation to the following diseases, either when complicated with lung affections or existing alone, I also invite consultation. I usually find them promptly curable.

Prolapsus and all other forms of female complaints, irregularities, and weakness.

Palpitation and other forms of Heart Disease, Liver Complaint, Dyspepsia, and all other diseases of stomach and bowels, &c.

All diseases of the eye and ear. Neuralgia, Epilepsy, and all forms of nervous disease. No charge for consultation.
