SOLOMON MANN,

Friend Wood: It was a long time after I saw you at Bissheld before I got the bottle of Restorative for which you gave me an order upon your agent in Detroit, and when I got It we concluded to try it on Mis. Mann's hair, as the surest test of Hs. power. It has done all that you assured me it would do; and others of my family and friends, having witnessed its effects, are now using and recommending its use to othersais entitled to the highest consideration you claim for it.

Again, very respectfully and truly, yours,

SOLOMON MANN,

CMEATEL 11..., June 28, 7852.

I have used Prof. O. J. Wood's Hair Restorative, and have admired its wonderful effects. My hair was becoming, as I thought, prematurely gray, but by the use of his Restorative it has resumed its original color, and, I have no doubt, permanently so.
