ANN ARRON, November 5, 1858.

Frod. O. J. Wood—Dear Sir: I have heard much said of the wonderful effects of your Har Restorative but having been so often cheated by quackery and quack negtrans, hair dyes, &c., I was disposed to place your Restorative in the same category with the thousand and one laudy trumpeted quack remedies, until I-net you in Lawrence county some inputs since, when you gave me such assurancess; induce t the trial of your Restorative in my family—first by my good wife, whose hair had become very thin and outrely with, and before ash useful and and become beautiful and glossy upon, and entirely over the heat; she cunflicus to use it, not simply because of its beautiful influence, upon the head sou mind. Others of my family and friends are using your Restorative, with the happiest-effects; therefore, my skepticism and doubts in reference to its character and value are entirely removed; and I can and do most cordially and confidentially recommend its use by all who would have their hair restored from white or gray (by reason of sickness or age.) to original color and beauty and by all young persons who would have their hair restored from white or gray (by reason of sickness or age.) to original color and beauty and by all young persons who would have their hair restored from white or gray (by reason of sickness or age.) to original color and beauty and by all young fersons who would have their hair restored from white or gray (by reason of sickness or age.) to original color and beauty and by all young fersons who would have their hair restored from white or TO THE GREATEST AGE.

Friend Wood: It was a long time after I saw you at Blissfield before I got the bottle of Restorative for which you gave me an order upon your agent in Betroit, and when I got it we concluded to try it on Mrs. Mann's indir, as the surest test of its power. It has done all that you assured me it would do; and others of my family and friends, having witnessed its efforts, are now using and recommending its use to others as entitled to the highest consideration you claim for it.

Again, very respectfully and truly, yours,

SOLOMON MANN.

CABLULL, LLL, June 28, 1852.

I have used Prof. O. J. Wood's Hair Restorative, and have admired its wonderful effects. My hair was becoming, as I thought, promaturely gray, but by the use of his Restorative it has resumed its original color, and, I have no doubt, permanently so.
