for the accommodation of Summer visitors; one capable of entertaining about one hundred the other of about half the capacity, and both the other of about half the capacity, and both well calculated to please the most fastidious taste, and satisfy the most delicate parate, every one, on visiting this place, should leave helind, in the debilitating and 'marky city, "all 'morning naps' and 'hoonday loungings," and go forth, ere the sun has peeped through the green foliage upon the mountain tops, and cutch the first breath of delightful morn, as it comes sweetly perfumed from, the dewy meacately the first breath of delightful morn, as it comes sweetly perfumed from the dewy mea-dows, or waving fields of corn A walk up the gentle ascent to the "ob-ervatory," from whence he can view a large portion of the "kingdoms of the earth," will be an excellent tonic for dyspeptic organs, and please the generous host by showing a perfect satisfac-tion with his abundant morning meal. And while the nonday sun is pouring his meridian heat unon unprotected stone and mortar, the Gion with his abundant, morning mean. And while the noodday sun is proving his meridian heat upon unprotected stone and mortar, the most delightful shades can be found by the many gashing springs, or along the banks of the pelheid stream that comes winding around the mountain's base, all the time singing its merry song willesporting o'er its pebbly bed, or rushing wills o'er some intruding impediment thrown across its undisputed path, or where, collecting all its scattered powers, and armed with Tenewed strength, it dashes, upon the ponderous wheel of some stately mill, period the high statice along as merrily as before. I would like to step nside from the ordiginal purpose of this article and tell you of the manufacturing, establishments that skirt the beautiful mountain stream; but time will not permit. But I cannot forbear mentioning the Mount Holly Daper Mill, which has so lately been put in operation, as it proves to be one of the principal attractions of the pates; for none could fail to enjoy the walk of nearly a mile from the hotels along the shady banks of the principal attractions (the pates; for none could fail to enjoy the walk of nearly a mile from the hotels along the shady banks of the stream the stream the bank of nearly a mile from the hotels along the shady banks of the stream the stream the stream the fight of the stream the

none could fuil to enjoy the walk of nearly a mile from the hotels along the shady, banks of the momatin stream, where the liftle fish gambol unconcealed in its translucent waters, and the birds fill the air with contagious de-light. —Turning around the base of a circular elevation, the mill is suddenly presented in all her grandeur and heauty, and exhibiting a remarkable degree of good taste, which is al-ways so pleasing to look upon even by the most uncultivated vision. But, nothing we have ever seen. of the kind can vie with the exquisive and heautiful finish of the whole in-terior of the extensive building, with all its

exquisite and beduttiti infinite of the whole in-terior of the extensive building, with all its complicited machinery, while genius and re-finement are visibly combined wherever the eye wanders, and neutnes and order hold per-fect which a generational

nement are visibly combined may be used to be a set of the period of the set of the set

granty ing to a tray into the productions. And no French or English paper that abun dantly graces our market, can surpass the delicacy of color and perfectness of texture, as well as exquisite finish, of the article manu-factured at this establishment. There are many dolightful walks and drives through the valley and adjoining country, for the lovers of Nature's own intudiwork, in the many beauties she has so lavishly scattered around, and the many curious displays of her

many headles she has so havishly scattered around, and the many curious displays of her powers. Near here are the Boiling Springs, the Carlisle and York Sulphur, and Dublin Gap Spring , and many other places of interest fully capal le of diving away the deepest root-ed ennui. and give profitable and pleasing oc-oupation for the mind during the long sum-mer montilist. Then come to our cool moun-tain retreat, breather the-fresh invigorating of which then the streamth from na

air, and drink health and strength from na-ture's goblet 'health the green wood shade ture's gobier manner to your homes bleasm and you will return to your SOJOURNER, the
