May Christmas always find them, whether in poverty or affluence, ready to give thanks to the Author of All Good. for life, health, and pure air ; for the green grass, the waving trees, the bright flowers and the twinkling stars; for the seasons, in their annual round of beauty-for there is beauty in the snow-flake of December, as well as in the May-blossom, and each have their mission. To all, we wish a .: Merry Christmas and a Happy New Year," and as each happy home circle gathers around the festive. board, may they be enabled, with truth, to

sing-We are all here! Father, mother, -Sister, brother-All who hold each other dear, Each-chair is filled we're all at home; To night let no cold stranger come. It is not often thus around Our old familiar hearth we're found, Bless then the meeting and the spot, For once be every care forgot; Let gentle peace assert her power, And kind affection rule the hour-We're all - all here

HOLIDAY GIFTS .- The display of Fancy Goods, Gift Books, Perfumery, and the Thousand and one articles suitable for holiday gifts, at Haversticks, is superior to anything we have yet seen in Carlisle. Many of them are entirely new and unique in design. The stock is so large and varied, in style and quality, that the difficulty is not in finding what you want, but in being able to make a selection. His store is really a curiosity, and we advise our friends to call and see it. ADMIT-TANCE FREE.

THE PUBLIC SCHOOLS of the borough have now their holiday vacation. They were adjourned on Thursday evening, and will not resume until Monday morning, the 3d of January. During the vacation, we hope teachers and pupils may have "a good time of it," and enjoy themselves exceedingly. We may mention here, that on the occasion of the suspension of the schools, many of the.

feinale leachers received some very substantial tokens of the gratitude and kindly feeling of their juvenile scholars. We are glad to know this. It shows that the services of the teachers are appreciated and acknowledged by

those who, though young in years have sense sufficient to reward those who are endeavoring

NEW STORE .- Mr., William Harman A Monyer Treasurer, has opened 'n new Varie'y Store, on East High At a meeting of St John's Lodge No. 260 streat, in the room recently occupied by Mr. | held on Thursday the 16th inst. John Camp-Chaples Ogilby . His stock consists of Glass- belt was elected W. M. George Weise S. W. ward, Tron, Stone and China-ware, Boots and Jak B: McCurtney J.-W.-Jass M. Alley. Soc. and John D. Gorzas Treasures sik S · · · · \*

day gift and also, as an evidence of their respect. esteem, and good will; and expressed, in suitable terms, their sorrow at loosing him as their instructor.

FAIRS .- The Fair of the Cumberland Fire Company, has been in successful progress

of everyreen, the ceiling is entirely covered with the "Stars and Stripes," and the walls are graced by a number of fine pictures, surmounted with small flags. The array of fancy goods, cakes &c , display both taste and liberality on the part of those who presented them to the company. The fair has been well, attended throughout, and we hope the Cumberland will reap a rich harvest of profit from the enterprize. It closes to night, On Christmas eve, the Good Will Fair will commence, at the same place to continue one week; and as the recent fire disclosed the fact, that our fire companies are not yet provided with sufficient apparatus, it is to be

hoped that the citizens will be liberal in their phironage, as the proceeds are to be devoted to that object.

NEW SCHOOL HOUSE .--- Our efficient Board of School Directors have determined to erect another School House, on West Pomfret street, the coming spring. They invite proposals until Friday next, the 24th inst The new building is to be two stories high, of brick, and will probably accommodate two schools. Carli-le has now a large number of splendid brick school buildings, all owned by the Board of Directors; and w believe all our schools re taught in houses owned by them.

HOLIDAY GIFTS '--- Messrs. Shryock, Taylor & Smith, at their Book and Stationery Store, East High street, are now disposing of their extensive assortment AT cost! This (Wednesday) evening they will commence selling at auction, and continue until all is sold. Now, then, is the time for bargains, as well as splendid HOLIDAY GIFTS !

Teachers, Students, and gentlemen wishing to complete their libraries, should at once call and examine their stock, as we know valuable works will be disposed of upon liberal terms.

TEACHERS' INSTITUTE .--- The Cumberand County Teachers' Institute will meet in Newville, on Tuesday the 28th instant. 'A large number of teachers are expected to be in attendance and the occasion will doubtless be

will be reduced to half-price on the occasion of the meeting of the Institute.

MASONIC .- At a meeting of the Cumberland Star Lodge No. 197 A Y. M: on Tuesday evening the 1 fth inst, Thomas D. Mahon was elected W. M John H. Rheem S. W. rto flöghem good John A. Humtich jr. J. W. S. Elliott See, and

and John D. Gorgas Treasurer. · . 7. 

of the student, as the greater defects exist in the Philology of the language or the hanguage itself, and thus we have to make the most of a bad bargain, nor will the divisions of pronouns have its proper symmetry until we have a form for each gender, number, person and

Mental Arithmetic was next introduced by Jos N. Clark and along with it came apples and oranges, and butter and beef and the prices thereof, in beautiful disorder, and which profitably puzzled most of us to make all right in the shortest possible time. This exercise was conducted with questions in abstract num-bers in the fundamental rules and the square root.

Next come written Arithmetic, H. J. Zinn while the class in the properties of Numbers their greatest common divisor, len-t common-multiple &c. and required the reason for each which multiple &c. and required the reason for each step in the so ution of problems, and which was apparently, more difficult to give than obtaining the answers which in time-past and within the recollections of some of the readers of this, was the sole object of those who work-ed in figures. He also introduced vulgar fractions to the class, their nature and subdi-visions, closed with singing. Adjourned. "School house No. 3, Dec. 3th, In-titute met the President, not having arrived in time on motion D. Eberly was chosen Pres. pro tom, the minutes of last evening were read and a-copted.

copted. J. II. Solviver instructed the class in Physi-ology, or that part of it which relates to the structure of main, and the muscular system, its functions and laws of growth and health. He ende wored to enforce upon the minds of the class and upon the audience the importance of the systematic training of the muscles from in-faucy. He said the muscles were the media through and by which all the aris were car ried on and perfected, that all persons should have regular, duily exercise of some kind not only as a discipline of the muscles, but be-cause car physical and mental health and pow-er demand it. He fhought it injurious to make children sit still an hour or longer, be-cause due pusts and will have exercise to ful-fif the law of their development. Algebra was next taken up by Jos. N. Clark Messre Clark and Ziam toaching that branch altornately, and who exercised the class in al-gebraic fractions at the black board, giving the same question to all and requiring one of the elass to explain, insisting upon the reason of each operation. He compared Algebraic with Arithmetical fractions and slowed their close relationship and common origin. opted. J. II. Schriver instructed the class in Physi-

will, Arithmetical fractions and showed their doso relationship and common origin. Vocal music was then introduced by J. O'Hail who gave instructions in the rudiments of thut art and science; in the rudiments of the art and science; the audience with a con-cord of sweet sounds, it was moved that the, betture adjacent to must at the same place on

Institute adjourn to meet at the same place on Tuesday evening the 14th inst which motion prevailed whereupon all moved to their respec-J. H. SCHRIVER Sec'y.
