DOES DISEASE ORIGINATE IN
IMPURITY OF THE BLOOD!
This is a question of vital importance and one which
has never been satisfactorily disposed of by the professors who teach the healing art. Some maintain—and
expectally the old school Physicians—that life lives to
the blood, and therefore all diseases originate in it—
but modern schence avers that allments have their
origination to both the solids and fluids of the body.
That the latter preponderate, however, is a facel fact,
and medical skill has clearly demonstrated, that at
least two thirds of the life that human field by hely to,
have their source, in an IMPURE STATE OF THE BLOOD!

IMPURE STATE OF THE BLOOD!

As, for instance, in the long catalogue, such as Scrofula, Tetter, "Barbor's Itch," Pimpire, Botches, Eryslpolas, Ulcers, Salt Bheum, discharges from the Far, I'ever Sores, or irruptive discases of any kind—These are ascertained by well known medical laws to arise from lad blood—while the highest medical sutherities declare that most fovers originate in the same manner, and more jarticularly Typhold and scarlet—the forbar loing an interval, and the latter an external frightly disease; and in all persons attacked in these P addes, the blood is found to be either exeguiated, or of a dark unhealthy color.

To ward off a large majority of diseases, as well as to cure a number which have already seized upon the system, it is necessary to
