ANN ARROM, November 5, 1858.

PROL. O. J. Wood—Dear Sir: 1 have heard much said of the wonderful effects of your Hair Restorative, but having been so often cheated by quackery and quack nestrains, hair dyes, &c., I was all-sposed to place your Restorative in the same category with the thousand and one loudly trumpeted quack remedles, until I mot you in Lawrence county some months since, when you gave me such assurance as induced the trial of your Restorative in my family—first hy my good wife, whose hair had become very thin and cutirely white, and before exhausting one of your large bettles, her hair was restored nearly to its original beautiful brown color, and had thickened and become beautiful and glossy upon, and entirely over the head; she continues to use it, not simply because of its beautiful influence upon the head and mind. Others of my family and friends are using your Restorative, with the happlest effects in the hair, but because of its healthful influence upon the head and mind. Others of my family and friends are using your Restorative, with the happlest effects it character and value are entirely removed; and I can and do most cordially and confidentally recommend it was by all who would have their hair restored from white or gray (by rossen) of slekness or ago, by original color and beauty, and by all young pursons who would have their hair beautiful and gloss or of slekness or ago, by original color and beauty, and by all ANDREW KER, SAMUEL MEGAW, N.
