THE LIVER INVIGORAOR! PREPARED BY DR. SANFORD.

Compounded entirely from GUMS. IS ONE OF THE DEST PURGATIVE AND LIVER I MEDICINES now before the public, that acts as a Carnarric, easier, milder, and more effectual than any other medicine known. It is not only a Carnarric, but a Liver remedy, acting first on the Liver to eject lix morbid matter, then on the stomach and bowels to carry off that matter, thus accompilabing two purposes effectually, without any of the painful feelings experienced in the operation of most Carnarrics. Its trengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

Ann Arnon, November 5, 1858.

Proc. O. J. Woop-Dear Hir: I have heard much said of the wonderful effects of your Mair Restorative, but having been so often cheated by quackery and quack nostrums, hair dyes, &c., I was disposed to place your Restorative in the same category with the thousand and one loudly trumpeted quack remedles, until I met you in Lawrence county some months since; when you gave me such assurance as induted the tind of, your Restorative in my family—dirst by my good wife, whose hair had become very thin and entirely white, and before exhauting one of your large bottles, her hair was Yöstöred nearly to its original beautiful brown color, and had thickened and become beautiful and glossy up ony and entirely over the head; she continues to use it, not simply because of its heautiful influence upon the hair, but because of its heautiful influence upon the hair, but because of its heautiful and riends are using your Regtorative, with the happiest effects, therefore, my skepticism and doubs in reierence to its character and value are entirely removed; and I can and do most cordially and considentially recommend its use by all who would have their hir extored from white or gray (by reason of electhous or ag.) to original color and beauty, and by all young persons who would have their hair beautiful and glossy.

Very traly and gratefully yours.

SOLOMON MANN.

Fairn Wood: It was a long time after I saw you at Blissheld before I got the bettie of Restorative for which you gare me an order upon your agent in Detroit, and when I got It we concluded to try it on Mrs. Blann's hair, as the surest test of its power. It has done all that you savered me it would do; and others of my family and friends. having witnessed its effects, are now using and recommending its use to othersas entitled to the highest consideration you claim for it.

Again, very respectfully and truly, yours,
SOLOMON MANN.

Cally Li, June 28, 1832.

I have used Prof. O. J. Wood's light Restorative, and have admired its wonderful effects. My hair was becoming, as I thought, prematurely gray, but I y the use of his fleet-rative it has resumed its original color, and. I have no doubt, permanently so.
