## Dr. M'Lane's CELEBRATED VERMIFUGE LIVER PILLS.

WE beg leave to call the attention of the Trade, and more especially the Physicians of the country, to two of the most popular remedies now before the public. We refer to

-Dr. Chas. M'Lane's Celebrated. Vermisuge and Liver Pills. We do not recommend them as universal Cure-alls, but simply for

what their name purports, viz.: THE VERMIFUGE, For expelling Worms from the human system. It has also been administered with the most satisfactory results to various Animals subject to Worms.

THE LIVER PILLS, For the cure of LIVER COMPLAINTS, all Bilious Derangements, Sick HEAD-ACHE, &c. In cases of.

FEVER AND AGUE, preparatory to or after taking Quinine, they almost invariably make a speedy and permanent cure.

As specifics for the above mentioned diseases, they are Unrivaled, and never known to fail when administered in accordance with the directions.

Their unprecedented popularity has induced the proprietors, FLEMING BROTHERS,

PITTSBURGH, PA. to dispose of their Drug business, in which they have been successfully engaged for the last Twenty Years, and they will now give their undivided time and attention to their manufacture. And being determined that Dr. M'Lane's Celebrated Vermifuge and Liver Pills shall continue to occupy the high position they now hold among the great remedies of the day, they will continue to spare neither time nor expense in procuring the Best and Purest material, and compound them in the most thorough manner. Address all orders to

Reapers and Mowers, at Newville.

To M. B. STRICKLER & BRO.

NEWVILLY, June 10, 1859.

Dear Sin:—Samuel M. Sharp, the owner of the field in which we were cutting grass when you left, employed me to cut the remainder. He said he liked, the Allen Combined Reaper and Mower the best. After the rain was over, I challenged the Manny and Whitenack Machines. Hussey tried it and stock. Manny backed out, and the Whitenack done middling well, but elogad some. Mr. Sharp then said we should cut the rumainder, we could cut it the best. So much for Allen's Combined Reaper and Mower."

There is an evil habit sometimes indulged in by boys, in solitude, often growing up with them to manhood and which, if not reformed in due time, not only begots serious obstacles to martimenial happiness, but gives rise to a series of protracted, insiduous and devastating affections.

Few of those who give way to this permicious practice are aware of the consequences until they find the ner yous system shaftered, feel strange and unaccountable sensations, and vague fear soft in mind. (See pages 27, 28, 29, of Dr. K's book on "Self-Pracovation.")

The unfortunate thus affected becomes feefile, is unable to labor with accustomed vigel, or to apply his mind to study; his step is bridy and weak fine is dull, irresolute, and engages oven in his sports with less energy than usual.

It he smaclepate himself before the practice has done its worst, and enter matrimony, bis marriage is unfruitful, and his sense tells him that this is caused by his carly tollies.

These are considerations which should awaken the attention of all who are similarly situated.
