Dr. M'LANE's CELEBRATED VERMIFUGE LIVER PILLS.

WE beg leave to call the attention of the Trade, and more especially the Physicians of the country, to two of the most popular remedies now before the public. We refer to

Dr. Chas. M'Lanc's Celebrated Vermisuge and Liver Pills. We do not recommend them as universal Cure-alls, but simply for

what their name purports, viz.: THE VERMIFUGE, For expelling Worms from the human system. It has also been administered with the most satisfactory results to various Animals

subject to Worms.
THE LIVER PILLS, For the cure of LIVER COMPLAINTS, all Bilious Derangements, Sick HEAD-ACHE, &c. In cases of

Fever and Ague, preparatory to or-after taking Quinine, they almost invariably make a speedy and permanent cure.

- As specifics for the above mentioned diseases, they are Unrivaled. and never known to fail when administered in accordance with the directions.

Their unprecedented popularity has induced the proprietors, FLEMING BROTHERS.

PITTSBURGH, PA. to dispose of their Drug business, in which they have been successfully engaged for the last Twenty Years, and they will now give their undivided time and attention to their manufacture. And being determined that Dr. M'Lane's Celebrated Vermifuge and Liver Pills shall continue to occupy the high position they now hold among the great remedies of the day, they will continue to spare neither time nor expense in procuring the Best and Purest material, and compound them in the most thorough manner. Address all orders to

FLEMING BROS. Pittsburgh, Pa. T.S. Dealers and Physicians ordering from others than Fleming Bros. will do well to write their orders distinctly, and take more but Dr. M'Lanes, prepared by Fleming Bros. Filthurph. Ph. To. those wishing to give them a trial, we will forward per mail, post paid, to any part of the United States, one box of Pills for twelve three-cent stamps, or one vial of Vermifuge for fourteen three-cent stamps. A FFLICTED READ!!!

od twonty-two years' ago by Dr. KINKELIN, corner of
Third and Union Streets, Philadelphia, Pa.

TWENTY-TWO YEARS' Experience has rendered Dr. K. a mest successful practiti mer in the cure of all diseases of a private nature; manhoul's debility, as an impediment to marriage; nervous and sexual infimilies, disease of the skin, and those arising from abuse of mercury. TAKE PARTICULAR NOTICE.

There is an evil habit sometimes indulged in by boys, in solitude, often growing up with them to manhoud; and which, if not reformed in due time, not only becets serious obstacles to matrimonial happiness, but gives rise to a series of protracted, insiduous and dovastating affections. rise to a series of protracted, insiduous and devastating affections.

Fow of these who give way to this pernicious practice are awars of the consequences until they find the ner yous system shattired, feel strange and unaccountable sensat ons, and vagbe fears of the mind. (See pages 27, 28, 29, of Dr It's beck on "Self-Preservation.")

The unfortunate thus affected becomes feeble, is unable to labor with accustomed vigor, or to apply his mind to study; his step is tardy and weak; he is duli, irresolute, and engages even in his sports with less anesty than usual.

If he emancipate bimself before the practice has done its worst, and enter matrimony, his marriage is unfruitful, and his sense tells him that this is caused by his early foliles. These are considerations which should awaken the attention of all who argaintilarly situated.
