Dec. 23, 1857.1

: ,

This is a work of nearly 600 pages, headthilly bound in cloth and contains over 100 sploudh and curious en-gravings. It gives a complete description of the strue ture and function of the reproductive organs of the te-male, showing how married ladles may have or avoid large families. Also, a complete history of Hermaphro-ditism, with curious plates showing both seven in one. It also gives advice to young ladles to selecting a hushand, pointing out the cause of so nuch suphapi-ness after marringo and the influences it exerts on the offspring. The work also gives the symptoms and treatment of the work also gives the symptoms and treatment of all founds diseases, so that every female may be beyown sil fermin diseases, so that every tennile may be her own physician. The last chapter is devoted to the Toilet, giving the receipts for cosmotics at present in use by the unbility of France. Regional and Russia for heautifying the skin hair teerh and for removing four and preserving a sweet breath. They have been obtained at great exploses. Price \$1.50. By mail \$1.76, or eight additional post-ane stamps. 8000 copies have already been ordered. These withing a copy of the first edition should send their orders without delay.
