VERMIFUGE LIVER PILLS.

WE beg leave to call the attention of the Trade, and more especially the Physicians of the country, to two of the most popular remedies now before the public-We refer to

-Br. Chas. M. Lanc's Celebrated Vermisuge and Liver Pills. We do not recommend them as universal Cure-alls, but simply for what their name purports, viz.:

THE VERMIFUGE, For expelling .Worms from the human system. It has also been administered with the most satisfactory results to various Animals subject to Worms.

THE LIVER PILLS. For the cure of LIVER COMPLAINTS, all Bilious Derangements, Sick HEAD-ACHE, &c. In cases of

FEVER AND AGUE, preparatory to or after taking Quinine, they almost invariably make a speedy and permanent cure.

As specifics for the above mentioned diseases, they are Unrivaled, and never known to fail when administered in accordance with the directions.

Their unprecedented popularity has induced the proprietors, FLEMING BROTHERS.

PITTSBURGH, PA. to dispose of their Drug business, in which they have been successfully engaged for the last Twenty Years, and they will now give their undivided time and attention to their manufacture. And being determined that Dr. M'Lane's Čelebrated Vermifuge and Liver Pills shall continue to occupy the high position they now hold among the great remedies of the day, they will continue to spare neither time nor expense in procuring the Best and Purest material, and compound them in the most thorough manner. Address all orders to

FLEMING BROS. Pittsburgh, Pa. P. B. Dealers and Physicians ordering from others than Freming Bros., will do well to write their orders distinctly, and-take enone but Dr. M'Lanc's, prepared by Fleming Bros. Filtsburgh, Pa. To thuse wishing to give tham a trial, we will, forward per mail, post paid, to any part of the United States, one box of Pills for twelve three-cent spanses, or one vial of Vermirage for fourties three-cent stamps, all orders from Canada must be accompanied by twenty cents extra.

My feet, shoulders, arms, and hands troubled me most, as much so that I could scarcely walk, and almost always required assistance in dressing. During this time I would try everything I could bear of, in the hope of finding a cure. I also tried several physicians, but no thing seemed to help me the least in the world. About two and a half years ago I was attacked as usual, and as usual tried everything foget rid of it, but to no pur pose. I kept growing worse, and finally hed to give up and stay in the house where I was confined about four weeks. This time my fest awelled, and were so sere that I could not stand out them or get on my boots, and my hands swelled to twice their usual size. In fact, I was to all appearances and belief, totally used up. About this time my parents, who reside in Maine, sect for me to some home. I went, and after my arrival commensed trying another remedy, hoping to be cured, but realisting the same as all others. For weeks I had not been able to dress mysuffor raise my hand to my head, and suffering the most execuciating pain all the time. One day my father came in with a paper in which was advertised Dr. Coggewell's Medical Satt, for Inflammatory Diseases only, and wanted me to read and see what I thought of it. I read and laughed at it, pronounced it a humbug, and told him that I had been humbugged enough. He kept urging me, and at lest said I could not refuse such an of for and sent for one box. It came in due season, but my faith was not increased, and I laughed at the idea of so small a dose doing me any good, and told my wife that I believed Dr. C., and in the paper in w READ THE FOLLOWING CERTIFICATES TO THE

Few of those who give way to this perulcious practice are aware of the consequences until they find the nor-vous system shatlered, feel strange and unaccountable sensations, and vigue fear of the mind. (See pages 27, 28, 29, of Dr. R's book on "Self-Preservation.")

The unfortunate thus affected becomes feeble, is unbig to labor with accustomed vigor, or to apply his mind to study; his step is tardy and weak; he is dull, irresolute, and engages oven in his sports with less energy than usual.
