'DR. HOOFLAND'S GERMAN BITTERS,

DR. HOOFLAND'S BALSAMIC CORDIAL,

The great standard medicines of the present age, have acquired their great popularity only through years of trial. Unbounded satisfaction is rendered by them in all cases; and the people have pronounced them worthy.

Liver Complaint, Dyspepsia, Jaundice, Debility of the Nervous System, Diseases of the Kidneys,

and all diseases arising from a disordered liver or weakness of the stomach and digestive organs, are speedily and permanently cured by the GERMAN BITTERS.

The Balsamic Cordial has acquired a reputation surpassing that of any similar pre-paration extant. It will cure, WITHOUT FALL, the most severe and long-standing .

Cough, Cold, or Hoarseness, Bronchitis, Influenza, Croup, Pneumonia, Incipient Consumption,

and has performed the most astonishing cures ever known of

Confirmed Consumption. A few doses will also at once check and cure the most severe Diarricoa proceeding

from COLD IN THE BOWELS. These medicines are prepared by Dr. C. M. JACKSON & Go., No. 418 Arch Street, Philadelphia, Pal, and are sold by druggists and dealers in medicines everywhere, at 75 cents. per bettle. The signature of C. M. JACKSON will be on the outside wrapper of each bottle.

In the Almanac published annually by the proprietogs, called EVERYBODY'S ALMANAC, you will find testimony and commendatory notices from all parts of the country. These Almanacs are given away by all our agents. For sale by S. Elliott, S. W. Haverstick Car.

OES DISEASE ORIGINATE IN IMPURITY OF THE BLOOD?

This is a question of vital importance, and one which has never been satisfactorily disposed of by the professors who teach the healing art. Some maintain—and especially the old school Physicians—that life lives in the blood, and therefore hill diseases originate in it—but modern science avers that allments have their origination in both the solids and fluids of the body. That the latter proponderate, however, is a fixed fact, and medical skill has clearly, demonstrated, that—teast two-thirds of the fils that human-flesh is helr to, have their source in an
