## CELEBRATED **VERMIFUGE** LIVER PILLS.

WE beg leave to call the attention of the Trade, and more especially the Physicians of the country, to two of the most populer remedies now before the public. We refer to

Dr. Chas. M'Lane's Celebrated Vermifuge and Liver Pills. We do not recommend them as universal Cure-alls, but simply for what their name purports, viz.:

THE VERMIFUGE, For expelling Worms from the human system. It has also been administered with the most satisfactory results to various Animals subject to Worms.

THE LIVER PILLS, For the cure of LIVER COMPLAINTS, all Bilious DERANGEMENTS, SICK HEAD-ACHE, &c. In cases of

Fever and Ague, preparatory to or after taking Quinine, they almost invariably make a speedy and permanent cure.

As specifics for the above mentioned diseases, they are Unrivaled, and never known to fail when administered in accordance with the directions.

Their unprecedented popularity has induced the proprietors, FLEMING BROTHERS.

PITTSBURGH, PA. to dispose of their Drug business, in which they have been successfully engaged for the last Twenty Years, and they will now give their undivided time and attention to their manufacture. And being determined that Dr. M'Lane's Čelebrated Vermifuge and Liver Pills "shall continue to occupy the high position they now hold among the great remedies of the day, they - will continue to spare neither time nor expense in procuring the Bestand Purest material, and compound them in the most thoroughmanner. Address all orders to

PLEMING BROS. Pittsburgh, Pa. P.B. "For the last twelve years I have been more or less to abled with Inflammatory Rheumstian, communicing carly in the spring, and lasting until cold weather set In. when I would be relieved for a while, only to be attacked again in the Spring. All juny joints would swell and be very sore, attended with the most neutre pain. My feet, shoulders, arms, and hands troubled me most, so much so that I could scarcely walk, and almost always required, assistance in dressing. During this time I would try everything I could hear of North hope of finding a cure. I also tried soveral physicians, but no thing seemed to help me the least in the world. About two and a half-years ago I was attacked as usual and as usual tried everything to get rid of it, but to no pur onding a cure. I also tried soveral physicians, but not thing seemed to-help me the least in the world. About two and a-half-years-ago-I-was-sitacked as usual-and as usual tried everything to get rid of it, but to no pur pose. I kept growing worse, and finally hed to give up and stay in the house where I was confined about four weeks. This time my feetswelled, and were so sore that I could not stand on them or get on my books, and my hands swelled to twice their usual size. In fact I was to all appearances and belief, totally used up About this time my parents, who reside in Maine, seat for me to come home. I went, and after my arrival commenced trying another remedy, hoping to be cured, but resulting the same as all others. For weeks I had not been able to dress myself or raise my hand to my head, and suffering the most excruciating pain all the time. One day my father came in with a paper in which was advertised Dr. Cograwell's Medical Sait, for inflammatory Diseases only, and wanted me to road and, see what I thought of it. I read and laughed at it, free nounced it a humbur, and tried him tlift! I had been humburged enough. He kepts ugging me, and at last said I could but try it, and if I wouldswrite to Br. C., giving him a description of my disease, lie would pay the expense. Of course-I-could not refuse such an of fer and sent for one box. It came in due season, but my faith was not increabed, and I laughed at the idea of so small a dose-doing me any good and told my wife that believed Dr. C. and his Sait both humburs.—However, I commenced using it and the result was perfectly astonishing. I could hardly realize it hayelf. I slopt soundly all alight which! I had no dony for a long time, and when! a wake in the morning strange as it may seem, I was onlirely free from pain. I had then taken but one dose, and bathed freely before going to be desired to the folks how well I felt, and from that day to this I have not suffered one moment's pain or had an attack of my once dreaded onemy. When it is remembered that the MEDICAL SALT is as efficacious in all other Inflammatory diseases as in libeumatism, (see descriptive circulars) it will at once be seen that it is a most valuable remedy. Surely those thus afflicted will find in their own condition and in the above statements, enough to induce them to give the MEDICAL SALT a taial.
