DR. M'LANE'S CELÈBRATED

VERMIFUGE LIVER PILLS.

WE beg leave to call the attention of the Trade, and more especially the Physicians of the country, to two of the most popular remedies now before the public. We refer to

... Dr. Chas, M'Lanc's Celebrated Vermifuge and Liver Pills. We do not recommend them as universal Cure-alls, but simply for what their name purports, viz.:

THE VERMIFUGE. For expelling Worms from the Luman system. It has also been administered with the most satisfactory results to various Animals subject to Worms.

THE LIVER PILLS, For the cure of LIVER COMPLAINTS, all Bilious DERANGEMENTS, SICK HEAD-ACHE, &c. In cases of

FEVER AND AGUE, preparatory to or after taking Quinine, they almost-invariably make a speedy and permanent cure.

As specifics for the above mentioned diseases, they are Unrivaled, and never known to fail when administered in accordance with the directions.

Their unprecedented popularity has induced the proprietors, FLEMING BROTHERS.

PITTSBURGH, PA. to dispose of their Drug business, in which they have been successfully engaged for the last Twenty Years, and they will now give their undivided time and attention to their manufacture. And being determined that Dr. M'Lane's Celebrated Vermifuge and Liver Pills shall-continue-to-occupy-the-highposition they now hold among the great remedies of the day, they will continue to spare neither time nor expense in procuring the Best and Purest material, and compound them in the most thorough manner. DR. COGGSWELL'S NEW MEDICAL SALT. READ THE FOLLOWING CERTIFICATES TO T efficacy of this medicine in inflammatory diseases.

O For the last twelve years I have been more or less troubled with Inflammatory Rheumatism, commencing early in the spring, and lasting until cold weather set In, when I would be relieved for a white, only to be attacked again in the Spring. All my joints would swell and be very sore, attended with the most heatte pain. My feet, shouldors, arms, and hands troubled me most, so much so that I could searcely walk, and almost always required assistance in dressing. Buring this time I would try everything I could hear of, in the hope of finding a cure. I also tried soveral physicians, but no thing seemed to help me the least in the world. About two and a half years ago I was attacked as usual, and, as usual tried everything to get rid of it, but to no purpose. I kept growing worse, and finally had to give up and stay in the house where I was confined about four weeks. This time my feets welled, and were so sore that I could not stand on them or get on my books, and my hands swelled to twice their usual size. In fact, I was to all appearances and belief, totally used up. About this time my parents, who reside in Maine, sort for me to come home. I went, and after my arrival commenced trying another remedy, hoping to be cured, but resulting the same as all others. For weeks I had not been able to dress myself or rake my hand to my head, and suffering the most excruciating pain all the time. One day my lather came in with a paper in which was advertised Dr. Cozgwell's Medical Salt, for Inflammatory Di-cases only, and wanted me to read and see what I thought of it.
