VERMIFUGE LIVER PILLS.

Cheg dave to call the attention of the Trade, and more especially the Physicians of the country, to two of the most popular remedies now before the public. We refer to

Dr. Chas. M'Lane's Celebrated Vermisuge and Liver Pills. We do not recommend them as universal Cure-alls, but simply for

what their name purports, viz.: THE VERMIFUGE, For expelling Worms from the human system. It has also been administered with the most satisfactory results to various Animals subject to Worms.

THE LIVER PILLS. For the cure of LIVER COMPLAINTS, all Bilious Derangements, Sick Head-Ache, &c. In cases of FEVER AND AGUE,

preparatory to or after taking Quinine, they almost invariably make a speedy and permanent cure. As specifics for the above men-

tioned diseases, they are Unrivaled, and never known to fail when administered in accordance with the directions.

Their unprecedented popularity has induced the proprietors, FLEMING BROTHERS.

PITTSBURGH, PA. to dispose of their Drug business, in which they have been successfully engaged for the last Twenty Years, and they will now give their undivided time and attention to their manufacture. And being determined that Dr. M'Lane's Celebrated Vermifuge and Liver Pills shall continue to occupy the high position they now hold among the great remedies of the day, they will continue to spare neither time nor expense in procuring the Bestand Purest material, and compound them in the most thorough manner. Address all orders to

All my joints would swell and the very sore, attended with the most acute pain. My take, whouldows, arms, and hands troubled inco most, so shigh not that I could secretly walk, and almost always required assistance in dreading. During this time I would up to the last of the la ninging a cure. I also trice several paysecume, our notability seemed to help met the least in the world. About two and a half years ago I was stacked as usual, and as seat fried everything to get rid of it, but to no purpose. I kept growing worse, and finally had to give up and stay in the house where I was confined about four weeks. This time my fectawelled, and were so sore that I cecild not stand on them or get on my boots, and my hands swelled to twice their usual size. In fact, I was te all appearances and belief, totally used up. About this time my parents, who reside in Maine, set for me to tome home. I went, and after my arrival commended trying another remedy, hoping to be cured, but resulting the same as all others. For weeks I had not been able to dress myself or raise my hand to my head, and suffering the most exeruciating pain all the time. One day my father came in with a paper in which was advertised Dr. Coggawell's Medical Sait, for lundammatory's Diseases only, and wanted me to read and: see what I thought of it I read and laughed at it, pronounced it a humbug, and told him that I had been humbugaded enough. He kept urging me, and at largited at it, pronounced it a humbug, and if I would write to Dr. C., giving Jain a description of my disease, he would pay the expense. Of course I could not refuse such an offer and sent for one box. It came in due season, but my faith was not increased, and I laughed at the idea of so small a dose doing me any good, and told my wife that I believed Dr. O. and his Salt both humbugs.—However, I commenced using it and the result was perfectly attonishing. I could hardly realized in myself, and went down stairs and told thas folks how well. I felt, and from that day to this I baye not suffered one moment's pain or had an attack of my once dreaded enemy, Rheumatism. I am perfectly well and hearty, and wherever I have a chance I recommend at. PHILADELPHIA MEDICAL HOUSE—Established twenty-two years' ago by Dr. KINKELIN, corner of Third and Union Streets, Philadelphia, Pa. TWENTY-TWO YEARS' Experience has rendered Dr. K. a most successful practitioner in the cure of all diseases of a private nature; manhood's debility, as an impediment to marriage; nerrous and sexual infirmities, disease of the skin, and those arising from abuse of sizercury. TAKE PARTICULAR NOTICE.

TABLE FAMILOUGHAN NOTICE.

There is an evil habit sometimes indulged in by boys, in solitude, often growing up with them to manhood; and which, if not reformed in due time, not only becets serious obstacles to matrimonial happiners, but gives rise to a series of protracted, insiduous and devastating affections. rice to a series of protracted, insiduous and devastating affections.

Fow of those who give way to this permicious practice are aware of the consequences until they find the nervous system shattered, feel strange and unaccountable sensations, and vague feas of the mind. (Yee pages 87, 28, 20, of Dr K's book on "Sell-Preservation.")

The unfortunate thus affected becomes feelile, is unable to labor with accustomed vigor, or to apply his mind to study; his step is trydy and weak; he is dull, irresolute, and engages oven in his sports with less energy than usual.

If he emancipate himself before the practice has done its worst, and enter matrimony, his marriage is unfruitful, and his sense tells him that this is caused by his early follies. These are considerations which should awaken the attention of all who are similarly situated.

REMEMBER, He who places himself under Dr. KINKELIN'S treatment, may religiously confide in his honor as a gentisman, and rely upon the assurance in the secrets of Dr. K's patients will never be disclosed. The secrets of Young Man—let no false modesty deter you from making your case known to one, who, from education and respectability can cert.loyb efferiend you.

Dr. KIKELIN'S residence has been for the last twenty-two years at the N. W. Corner of THIRD AND UNION STREETS, Philadelphia, Pa. PATIENTS AT A DISTANCE
