n favor of this unique work, which has al

ready attained an unprecedented popularity.

ready attained an unprochilented popularity. Frome" the slusical Kovlew," New York. We must couless that we are naturally not very fa-vorably inclined to now methods for the plano. We have had so many instructions during the last tweity gears that we really think mankind ought, at least, to know, how to play the plano-forte However, Mr. Grober Shock has somewhat allered our mind. It offers really something new, containing some truth we have not met with until now in any other method. It ad-heres for once to the principle "THINGS MEPORE SHORS." He justly says, "The BALLIT (Phylic), Should come-first, and the things which belong to i orarior should follow." This is exceedlent. This is just. This is true and natural. The whole system is based upon this principle.—always with special regard to the primary instruction in the art of playing Should come. This reason that such matters as belong to a more ad-ranced period in the player's art are excluded and will follow." The Musical World." New York. From " The Musical World." New York. "From " The Musical World." New York. "From " The Musical World." New York. "From " the date of their hirth and death being not forgottom. Mr. Orobe is doublieses better posted in the matter of musical blography than any other musical man. We find, next, some excellent advice to teacher.

profession,—the date of their birth and death teeing not forgotton. Mr. drobe is doubliess better posted in the matter of musical blography than any other musical unan. We find, next. source excellent advice to teacher, which we should like to transcribe to our columns, had we space. M. Grobe standards book is, on the whole, hearily to be recommended to the musical public." From "The Daily Picayune," New Orlestus " Mr. Grobe stands very high as a professor and teach-er and composer for the pisno. The book he now gives to the public bears upon its fire, to every experienced and practised eye, couvietion that there is a valuable addition to the rudimentary musical lore of the country and the world. A better primary instructor in the art, and especially in the Science of plano playing, has never before be up ublished." From "The Public Leager," Philadelphia. "Lee & Walker have published." Opies will be satu by muli, free of postage, on the re-celpt of the marked price. LEE & WALKEIN, Publics.
