A FFLICTED READ PHILADELPHIA MEDICAL HOUSE-Establish-ed twenty-two years ago by Dr. RINKELIN, corber of Third and Union Streets, Philadelphia, Pa.

TWENTY-TWO YEARS' TWENTY-TWO YEARS' Experience has rendered Dr. K. a most successful practitioner in the cure of all diseases of a private na-ture; manboods debility, as an impediment to mar-riace: nervous and sexual infinities, disease of the skin, and those arising from abuse of mercury.

TAKE PARTICULAR NOTICE.

Thre is an evil habit sometimes indulged in by boys, in solitude, often growing up with them to marbood; and which, if not reformed in due time, not only begets serious obstacles to matrimonial bappiness, but gives rise to a sories of protracted, insiduous and devastating affections.

rise to a sories of protracted, insiduous and devasiating affections. For of those who give way to this pernicious practices are aware of the consequences until they find the ner-vous system shattered, feel strange and unaccountable sensat one, and rague fars of the mind. (See pages 27, 23, 20, of Dr Ks book ou "Self-Freervation.") The unfortunite thus affected becomes feeble, is una-ble to labor with accustouted vigor, or to apply his mind to study; his step is tardy and weak; he is dull, irresolute, and engages even in his sports with less qu-orgy than usual. It he emancipate himsulf before the practice has done its worst, and enter matrimony, his maringe is unful-ral, and his sense tells him that this is caused by his entry tollies. These are considerations which should awaken be attention of all who are similarly situated. REMEMBER,

Awaken bis attention of all who are similarly situated. REMEMBER, It who places himself under Dr. KINKELIN'S treat-mont, hay religiously confide in his honor as a gentio-mau, and yetly upon the assurance that the secrets, of Dr. K's patients will never beiddsclosed. Young Man-let no false modersty detor you from making your case known to one, who, from education and respectability on recri inly befriend you. Dr. KIKKLIN'S residence has been for the last twen-ty-two years at the N. W. Corndr of THIND'AND UNION STREETS, thiladophia, Pa. D NUENWER

When it is remembered that the MEpICAL SALT is as effectious in all other Inflammatory diseases as in Bheumatism, (see descriptive circulars) it will at once be seen that it is a "most valuable remedy. Surely those thus afflicted will find in their own condition and in the above statements, enough to induce them to give the MEDICAL SALT a taial.
