LADD, WEBSTER & CO. SEWING MACHINES.

A few of many reasons why the Sewing Machines of Ladd, Webster it Co. are preferred above all others.

1. They are so roungrkably simple in their construction.

A child can operate them and understand the mechanism.

HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOS-TETTER'S CELEBRATED STOMACH BIT TERS can appeal with perfect confidence to physicians and citiz as generally of the United States, because the article has attained a repu-States, because the arricle has accumentable tation heretofore unknown. A few facts upon this point will speak more powerfully than this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over'a balfmillion bottles, and from its manifest stendy increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare count never have been sold but for the rare /medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficiency in all cases of stomachie degangements and the diseases regulting theretween and the diseases resulting therefrom This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeling the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is

estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters' have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. 'To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed larguage It removes all problems. alloyed pleasure. It removes all morbid matter from the somach, purifies the blood, and imparts repowed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but piewerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottler and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the ovidence of thousands of aged men and women who have experienced the benefit of using this who have experienced the benefit of using this preparation while suffering from stomach de-rangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs mid fairly tested the-merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harmssing that many of them sink under the 1421. The relation of mother and child is so absorbingly tender, that the mother, especially if she he young, is apt to forget her own health in her extreme.anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recupe-rate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers gene-rally prefer the Bitters to all other invigora-tors that receive the endorsement of physicians, because it is agreeable to the taste as

well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particu-All those persons, to whom we have particularly referred above, to wit:-sufferers from fever and ague, caused by malaria, dinrrhea, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superannuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

CAUTION—We canting the public against CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for Hosterthus's Chebharthis Stoman Byters, and see that cachebathelphas the words "Dr. J. Hostetter's Stomach Biggers" own on the side of the bottle, and stamped
