WHAT THE NEW YORK CITY FOLKS SAY OF

New York, August 25, 1852.

**Dee This is to certify that I am well acquainted with a man fifty years of age, for many years a resident of this city, who has been at times extremely III, but could not tell from what cause, unless it was worms, let odd his attending physician his suspicious, but the physician at once ridiculed the idea, and refused to attend him any longer. His son them mentioned Dr. M'Lano's Vernifuge, and asked him if he yould take it: bis reply was—I must take something to get relief, or die. M'Lanors Verminuge, and assect him it no yound take it; bis reply was—I must take something to get reliof or die.

They at once procured a bottle of Dr M'Lano's Celebrated Verminuge, and he took one half at one dose. The result was, he passed upwards three quarts of worms, cut up he every form. He got well immediately, and is now enjoying most excellent health; and like the good Samaritan of old, is endeaporing to reliave his unfortunate neighbors. He makes it his business to hunt up and select all cases similar to his own that may be given over by regular physicians, and induces them to try Dr. MiLano's Verminuge. So for he has induced more than twenty passons to take the Verminuge, and in every case with the most happy feedias. He is well satisfied that Dr. M'Lano's Verminuge, of Littsburgh, is far superior to any other known remedy, and that if more generally known would not fall to save many valuable lives. For turther particulars inquire of Mrs. Hardie, 115½ Canon, Street, New, York City. 29. It restores the tone of the digestive organs, infuses fresh vitality into the whole system, and gives, that cheerfulness to the temperament, which is the most valuable of femiline attractions. The propeletors feel flattered from the fact that many of the most prominent medical gentlemen in the Union have bestowed encompuns upon the Bitters, the virtues of which they have frequently tested and acknowledged. There are numerous counterfeits offered for sale, all of which are destitute of merit, and positively injurious to the system. Sold by all druggests in the world.
