WINTER GOODS,

Water Closets, Force and Lift Pumps, Wro't Iron Wel'd Tubes,

A DARING ACT.—Mary Fuller, a young girl imprisoned in Ohio penitentiary for coun-terfeiting, made her escape on the lat inst, from the fifth story of the prison, by getting out of her window and passing along the side of the build n upon the cora co or water tuble about eighteen inches broad. Passing along the front of the building, at the immense beight of fifty or sixty feet from the ground, with nothing to hold to and upon the projec-tion scarcely visible from the ground, she reached, at the distance of mout forty fect from-her room window, a place where it was to the room of the west wing. The feap was taken, proved a safe ono, and the dauntless woman next fastened to the corner of the roof a rope which she had made of the bedding, grasped it in her hands, and, swinging from the roof, passed down on the outside of, the wall, over windows.where other convicts eping, and down to terra firms, where at a disatuce of forty five feet below the roo she alighted in the arms of a confederate
