It acts as it by marie, and one trial alone will convince you that what we say is true. It contains NO PAREGORIC OR OPIATE NU PAREGURIC OR UPIATE of any kind, and therefore relieves by gendening its sufferings of your child, instead of by deadening its sensibilities. For this reason it commends itself as the only reliable preparation now known for Children Teething, Diarrhoea, Dysentery, Grip-ing in the Bowels, Acadity of the Spanch, Wind, Cold in the head, and Croup, also, for softening the gous, reducing fuldametion, regulating the Bowels and rolleying paip, it has no equal—being an anti span model to used with unfilling success in all cases of Convultion or other Rifes. TETTER'S CELEBRATED STOMACH BIT-TER'S can appeal with perfect confidence to physicians and oitizens generally of the United States, because the article has attained a repu-

States, because the article has attained a repu-tation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Tlostetter's Stomach Bit-ters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the agained year, the grownition will wood

in large or small quantifies, at the lowest prices. But we do not wish the public lo understand that we have brought all the pools in Philadelphia and New York to our town, but we can assure them that one look into our store will convince them that we have enough to supply the demand in this market. near one million boftles. This immense amount could never have been sold but for the rare medicinal properities contained in the propara-tion, and the sanction of the most prominent physicians in those sections of the country where the apticle is best known, who net only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachie derangements and the diseases resulting therefore. efficacy in all cases of stomachic derangements and the diseases resulting therefrom. This is not a temporary popularity, obtained by extraordinary efforts, in the way of trum peting the qualities of the Bitlers but a solid estimation of an invaluable undering, which is destined to be as enduring is time itself. Hostetter's Stomach Bitters have proved to Gashau to perions where, fover and ague Itostetter's Stomach Bitter's have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their yietims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of un-alloyed pleasure, it removes all morbid matter from the stometh wurdies the blood, and from the stomed, by purifies the blood, and imparts renewed vitality to the nervous system, giving it that four and energy indispensable for the restoration of health. It operates upon

for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfally, and soon restores them to a condition essential to the healthy discharge of the functions of nature. Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and reinvenuing correctly. We have the exi-

declining years, as it is pleasant to the palate, invigorating to the bawels, excellent as a tonic, and rejuvenating generally. We have the evi-dence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach de-rangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. 'The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiely for her infrat, 'Sheld the period of maternity arrive during the summer senson, the wear of body and mind is generally aggravated. Here, then, is a netogesity for a stimulant to recupe-rate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers geno-rally prefer the Bitters to all other invigora-tors that receive the endorsment of physi-cians, because it is agreeable to the faste as well as certain to give a permanent increase of hodity streageth well as certain to give a permanent increase
