HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOS-TETTER'S CELEBRATED STOMACH BIT-TETTER'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to physicians and oblitens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare sesertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare could never have been sold but for the rare medicinal properties contained in the prepara-tion, and the adoction of the most prominent physicians in those sections of the country where the articless best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachio derangements and the diseases resulting theories. and the diseases resulting therefrom

This is not a temporary popularity, obtained by extraordinary efforts in the way of trum-poting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fover and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspopsia and like diseases, is to the proprietors a source of unare a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood; and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There, are certain periods when their cares are so harassing that many of them gentler sox. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is ant to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the litters to all other invigorators, that receive the endorsement of physicians, because it is agreeable to the taste as well as certain the give a permanent increase of bodily strength.

well as cortain to give a permanent increase of bodily strongth.

All those persons, to whom we have particularly referred above, to witr sufferers from fever and ague, caused by malaria, diarrhee, dyseutery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superannuated invalids, persons of sedentary, occupation, and nursing mothers, will consult their own physical welfare by giving to Hostotter's Celebrated Stomach Bitters a trial.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stomach Bitters's Celebrated Stomach Bitters's Celebrated Stomach Bitters's Celebrated Stomach Bitters's Celebrated Stomach Bitters, and see that each bottle has STOMAGE TO HOSTITEER CLEBERT BETTOM TO THE STOMAGE TO THE STOMAGE TO THE STOMAGE BETTOM THE STOMAGE BETTOM THE STOMAGE BETTOM THE STOMAGE BETTOMAGE BETTOMAG

benefited by the fire of Wood's Hair Restorative, and requesting my certificate of the fact if I had no objection to give it.

I award it to you cheerfully, because I think it due. My age is about 60 years; the color of my hair anburn, and inclined to curl. Some five or six years since It began to turn gray, and the scalp on the crown of my head to loose its assosibility and dandruff to form upon it. Each of these diragreabilities increased with time, and about four months since a fourth was added to them, by hair falling off-the top of my head and threatening to make me baid.

In this unpleasant predicament, I was induced to try Wood's Hair Restorative, mainly to arrect the falling of of my hair, for I really had no expectation that gray hair could over be restored to its original color accept from dyes. I was however greatly surprised to find after the use of two bottles only, that not only was the failing off arrepted, but the color was restored to the gray hairs and sensibility to the scalp, and dandruff cased to fir mo on my head, very much to the gratification of my wife, at whose solicitation I was induced to try it. For this, among the many oblications I owe to her sex, I strongly recomment to all hushands who value the admiration of their wives to profit by my example, and use it if growing gray or getting bald.
