TRVING FEMALE COLLEGE, MEGHANICS BURG, PA.

This Institution, designed for the liberal education of Young Ladles, has been in operation two years with the most gratifying results. It is now established on a firm basis, and its patropage already extends over asveral States.

It is located on the Cumberland Valley Railroad midway between Harrisburg and Carlise, in the most firtile and beautiful portion of the valley, and is in close proximity to one of the most moral, healthy, and enterprising towns in the State.

It is: central, and casy of access. Students leaving Washington, Baltimore, or Philadelphia in the morning train for Harrisburg, will arrive at Mechanicsburg in time for dinner.

train for Harrisburg, will arrive at Mechanicsburg in time for dinner. The edifice is large and commodious, surrounded by double verandas, and will accommodate about one hundred boarders. In its construction, it combines all the modern improvements for the promotion of health-comfort and convenience. In these respects physicians pronounce it unrivalled. The chambers are large and neatly furnished. Each has its register for heat and voutilation. Only two students occupy the same room. The bath rooms are at all times supplied with marrian and cold water.

The grounds are simple, and well arranged for recreation, and the various callsthenic uxercises—so essential to health, graceful movement and symmetry of form. onced.

In the Collogisto Department the course of study is
of a high grade, comprehending all the subjects belonging to a Classical Polite and Christian Education.

In the Preparatory Department pupils will be care
fully instructed in those branches forming the basis of
a thorough English education.

HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOS-TETTER'S CELEBRATED STOMACH BIT-TETTEN'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare

could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fover and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like

counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleagure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who, have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as cortain to give a parapart inveges

cians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhæa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superannuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters, a trial.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stomach Bitters's Celebrated Stomach Bitters' blown on the side of the bottle, and stamped lown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the

label.

and gontlemen of the Press are unanimous in its praise. A few testimonials only can be here given: see circular for more, and it will be impossible for you to doubt.

40 Wall Street, New York, Dec 20th, 1859.
Gentlemen:—Your note of the 15th inst., has been received, saying that you had heard that I had been benefited by the use of Wood's Hair Restorative, and requesting my certificate of the fact if I had no objection to give it.

I award it to you cheerfully, because I think it due. My age is about 50 years; the color of my hair suburn, and inclined to curl. Some five or six years since it began to turn gray, and the scalp on the crown of my head to loses itssensibility and dandruff to form upon it Each of these disagressibilities increased with time, and about four months since a fourth was added to them, by hair falling off the top of my head and threatening to make me baid.

In this uppleasant predicament, I was induced to try Wood's Hair Restorative, mainly to arrest the falling off ormy hair, for I really had no expectation that gray hair could over be restored to far original color, except from dyes. I was however, greatly surprised to flug fifter huse of two bottles only, that not only was the falling off off my hair, for I really had no expectation that gray hair and sensibility to the scalp, and dandruff ceased to form on my head, very much to the gratification of my wife, at whose solicitation I was induced to try it.

For this, among the many obligations I owe to her sex, I strongly recommend to all husbands who value the admiration of their wives to profit by my example. And we see that the many obligations I owe to her sex, I strongly recommend to all husbands who value the admiration of their wives to profit by my example. And we see that the many obligations I owe to her sex, I strongly recommend to all husbands who value the admiration of their wives to profit by my example.

You year excelluly, BEN A. LAVENDER.

To O. J. Wood :—Dear Sir: Your " Hair Restorative" has done my hair so much good

Medicines. OES DISEASE ORIGINATE AN IMPURITY OF THE BLOOD!
This is a question of vital importance, and one which has never been satisfactorily disposed of by the 'profess sors who teach the bealing art. Some maintain—and especially the old school thysicians—that life lives in the blood, and therefore all libeases originate in its but modern science avers that aliments have their origination is both the solids and fluids of the body. That the latter prepondents, however, is a fixed fact, and anedical skill has tearly demonstrated that at least twe-thirds of the alignment of the lifest twe-thirds of the alignment and shall get the trop have their source in an

IMPURE STATE OF THE BLOOD! As, for instance, in the long catalogue, such as Scrofu la, Tetter, "Barber's Heb," Plimples, Blotches, Erysipe day Ulcers, Salt theum, the Barber's Heb, "Plimples, Blotches, Erysipe day Ulcers, Salt theum, the Barber of any Kind.—These are as certained by well known medical laws, to-arise from bad blood—while the bighest medical authorities, declare that most fowers originate in the same manuer, and more particularly Typiold and scariet—the former being an including a the often is found to we ambiently color, anhealthy color,

To ward off a large majority of discusses, as well as to cure a number which have already stiged upon the system it is necessary to
