MEETINGS OF THE PEOPLE, At Bloserville, an enthusiastic meeting was held, of the friends of Lincoln, Hamlin and Curtin, on Saturday evening last. The School House, was crowded by the citizens of Frankford, who testified, by their cheers, that they are "Wide Awake," to the importance of carrying the next election. Speeches were made by J. R. Smith, John Hays and C. P. Humrich Esqrs. Old Frankford will give a good account of herself on Tuesday next.

At Newville, a large and spirited meeting, was held at Literary Hall, on Wednesday, of last week. Col. Woodburn presided, and J. McKeehan acted as Secretary. The meeting was ably addressed by A. B. Sharpe, Esq., of Carlisle, and Wm. B. Irwin, our candidate for the Assembly. ; Our friends in Newville, are contending against fearful odds, but they have the right grit, and are determined to make every vote count one, for the whole ticket. At Lisburn, a large meeting was held on Friday last, over three hundred were in attendance, including a delegation of Wide Awakes, from Siddonstown. The meeting was addressed by C. P. Humrich and Jas. R. Smith, Esqrs., of Carlisle, and Jos. Garretson, of Harrisburg. Lower Allen is always "right side up," and our friends there calculate on an increased majority.

At Hoguestown, on Tuesday evening last, the friends of Lincoln, Hamlin and Curtin, took Silver Spring by storm, it was the largest outpouring of the people, ever witnessed, in that township; delegations of Wide Awakes from Carlisle and Mechanicsburg, were in attendance, and able addresses were made by L. Todd, J. R. Smith and Jacob Rheem. Over five hundred people were present.

The Importance of One Vote.

When the decision of the Court, at the last January Term, ousled John D. Gorgas from the Commissioner's office, and elected J. Waggoner, by one vote; how many of our friends said to themselves ; " Well if I had taken the trouble to go to the election I could have elected Gorgas."? Now, let them learn from this fact, the importance of ONE VOTE, and act accordingly. You, who claim to be Republicans. You, who oppose the Democrats on principle. You, who would austain your own ticket. Vote yourselves, and see that your neighbors vote .---Vote your whole party strength, and you need not fear the result.

Don't forget the election next Tuesday.
