A CARD.

An appeal from the Catholics of Carlisle to the Charity of their Fellow Citizens.

THE public are already aware of the destruction of our church by fire—a calamity which falls heavily upon us. from the fact that the congregation is very small and very foor. Their total lunbility to rebuild has compelled them to adopt this method of exciting the sympathy of the community, and of soliciting the charitatio aid of the benevolent and hamane, in return for which the favrent payers of a peor, distressed Congregation shall be offered to the Almighty. Any contributions made for our relief will be thaukfully received by the Rey. Edward McKee, Pastor, Rev. P. Maher, of Harrisburg, Capt. Long, or Mr. John Gillen, of Cariflele. f Carlislo. Capt. Long, U. S. N., in connection with many of his atholic associates of Carlislo, cospectfully request that ou, the editors of the following papers, notice the a-

CHALY BEATE RATIVE PILLS & IRON

An apecian and Stomach preparation of IRON puri-fied of Oxygen and Carbon by combustion in Hydrogen-Stactioned by the highes. Medical Authorities, both in Europa and the United States, and prescribed in their practice. The experience of the state of the blood, depression of vital energy, pale and otherwise sickly complexions indirate its necessity in almost over conceivable case. Innoxious in all maladierin which thas been tied, thus proved absolitely cirative in each of the follow-ing complaints, viz:

it has proved absolitely cleartive in each of the following complaints, vis:

In Devility, Nervous Affections, Emication, Dyspepsia, Constituction, Illararhoen, Dyspepsia, Constituction, Illararhoen, Dyspepsia, Constituction, Illararhoen, Dyspepsia, Sait Rheuman, Mismonstruation, Whites, Chlorosis, Liver Complaint, Ohronic Headaches, Rheumatism, Intermittant Fovers, Pimples on the Face, &d.

In cases of Juneral Debility, whether the result of actual disease, or of the continued diminition of nervous and muscular aperty from chronic complaints, one trial of this restorative has proved successful to an extent which no description nor written attestation yould render credible. Invalids so long bed-ridden as to have become forgottap in their own heighborhoods, have suddenly re appeared in the busy world as if justicitined from protracted travel in a distant land Some very signal instances of this kind are attested of female Safforers, emachated victims of apparant naras mus, sunguineous exhaustion, critical changes, jand that complication of nervous and dyspeptia aversion to air and-exercise for which the physician has no name. In Nervoux Affections on all kinds, shid-Top, crassons familiar with medical use, the operation of this proparation of ion must necksarily be salutary, forhunike the old exites it is vigorounly topic, without being exciting and overheating; and gently, regularly aperient, even in the most obstinate cases of völkiveness without ever being a gastele purgative, or inflicting a disagreeable semention. ess. In unchecked Diarrhica, even when advanced to Dye ntary, confirmed, emiciating, and apparently, malic

must, the effects have been equally decisive and aston-ishing. In the local pains, loss of fiesh and strength, 'debilishing cough, and remittent beetle, which generally indicate Inclinet Consumption, this remedy has allayed the alarm of Friends and physicians, in several very gratifying and interesting instanced remedicate) from has had an more than the good effect of the most cautious ly balanced preparations of iodine, without any oftheir well known liabilities.

The attention of fewales cannot be too conjidently invited to this remedy and restorative, in the cases peculiarly affecting them.

In Rheumatism, both chronic and inflammatory—in the latter however, more decidedly—it has been invariably well reported, both as alleviating pain and seducing the swellings and stiffness of the joints and muscles.

In Internition Ferences it must necessify be a great remedy and energetic restorative, and its pregress in the one settlements of the West, will probably be one of high renew had one with the affection of the the same affection to the the same of the content of the the same affective of the the same of the content of the the same affective of the the same affective of the content of the content of the same affective and the processing the same affective and the process in the content of the same affective and the process in the content of the same affective and the process in the content of the same affective and the process in the content of the same affective and the process in the content of the same affective and the process in the content of the same affective and the process in the content of the same affective and the process in the content of the same affective and the process in the content of the same affective and the process in the content of the same affective and the affective and and a same affective and the affective and the affective and and a same affective and a same affective and a same affective and a in now settlements of the West, will probably be one high remove and usefulness. No remedy has ever been districted in the whole his No remedy has ever been districted prompt, happy, and tilly pestorative effects. Good appoints, compilete diggs on, rapid acquisition of stremeth, with an unusual specific for notive and cheerful exercise, immediate-follow its use. Happosition for active and cheering executed in the type in the tip in neat flat metal boxes containing 50 pills, price 50 cents per box; for sale by druzglets and dealers. Will be sent free to any address on receipt of the containing the price 50 cents of the tip in address of the type in the type in the tip in address of the t ors. Will be sent free to any address on receipt of the orice. All letters, orders, etc., should be addressed to May 23, '60.-Iy. Signature Signat
