HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOS-TETTER'S, CELEBRATED STOMACH BIT-TETTEL'S, CELEBRATED STOMACH BITTERS can appeal with parfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitter's fig. Also last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the prepara-

the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians, in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachia derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of trum peting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is'to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and impar's releved vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a conditipm essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimhlant peculiarly adapted to comfort declining tears, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuventating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleteious drugs and fairly tested the merits of this article. A few words to the gentler set. Their a

their care are so hirassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her indust. Should the period of maternity arrive during the summer season, the wear of body and sind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the clergies of the system, and enable the mother to bear up under her exhausting trials and respects the litters to all other invigorators that receive the endorsement of physicians, because it is agreedade to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhoes, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superanniated invalids, persons of sedentary occupations, and nursing mothers, will consult their originals and respectively. Captures as the stomach litters a trial.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for Hoszerzen's Callenarab Stomach Bitters, and see that each bottle has the words. Tr. J. Hostetter's Stomach Bitters' blown on the side of the bottle, and stamped on the retaillic cap covering the cork, and observe that our autograph signature is on the label.
