An aperient and Stomach preparation of IRON puritied of Oxygen and Carbon by combustion in Hydrogen Sanctioned by the highest. Medical Authorities, both in Europe and the United States, and prescribed in their practice.

The experience of thousands daily proves that no proparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions indicate its necessity in aimcale every conceivable case.

Innoxious in all maladies in which these been tied, it has proved absolutely curative in each of the following complaints, vis:

In unchecked Diarrhen, even when advanced to Dys-entery, confirmed, emachating, and apparently malig-nant, the effects have been equally decisive and aston-In the local pains, loss of flesh and strength, debiliting cough, and remittent bettle, which generally indicated incipient Consumption, this remedy has allayed the alarm of friends and physicians, in several very gratifying and interesting instances.

In Scrofulous Tuberculosis, this medicated fron has had far more than the good effect of the most cautiously balanced preparations of iodine, without any of their well known liabilities.

The attention of function scannet be too confidently invited to this remedy and restorative, in the cases peculiarly affecting them.

In Rheumatism, both chronic and inflammatory—in the latter-however, more decidedly—it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and muscles. In Internittent Fevers it must necessarily be a great remedy and energetic restorative, and its progress in the new sottlements of the West, will probably be one of high-remown and usefulness.

No rengely has ever been discovered in the whole history of medicines, which exerts such prompt, happy, and fully restorative effects. Good appetite, complote digestion, rapid acquisition of strength, with an unusual disposition for active and cheerial exercise, inmediately follow its use.

B.—Communications by mall produpily distribution, pt. 27, '90.-ly.

GUM SPRING GRAIN DRILL. GUM SPRING GRAIN DRILL, which has taken over fifty First Class Premiums at State and County Fairs. To the Farmers of Chmberland, York and Ferry counties we need not speak in detail of the merits of this Merill, as accres of them are now in use on the best farms in these counties. Its reputation is established as the most complete Grain Drill now manufactured in the United States. It sows Wheat, Hye, Osts, Barloy and Urass, ovenly and regular, without bunching the seed. The gum Springs pass the drill over stumps and stones, without breaking planer the drill. For even and regular sowing, the Willoughby Gum Spring Drill is unequalled by any other. We also manufacture and sell the following articles, which we can recommend to Farmers as reliable implements, of established character:

of established character:

MORRISON'S PATENT CORN PLANTER,
LASH'S PATENT STRAW & FODDER OUTTER,
BRIDENDOLPH'S PATENT CORN SHELLEH,
