This Institution, designed for the liberal education of Young Ladles, has been in operation, two years with the most gratifying results. It is judy established on a firm basis, and its patronage algority, extends over several States.

It is located on the Cumberland Valley Railroad midway between Harrisburg and Carliele, in the most fertile and beautiful periton of the valley, and is in close proximity to one of the most moral, healthy, and quaterprising towns in the Stee.

It is central, and easy of access. Students leaving Washington, Baltimore, or Philadelphia in the morning train for Harrisburg, will arrive at Mechanicsburg in thus for dinner. train for Harrisburg, will arrive at Mechanicsburg in time for dinner. The edifice is large and commodious, surrounded by double verandas, and will accommodate about one hundred boardors. In its construction, it combines all the modern improvements for the promotion of health, comfort and convonience. In these respects physicians, pronounce it unrivalled. The chambers are large and neatly furnished. Each has its register for heat and vegitiation. Only two students occupy, the same room. The bath rooms area tall times supplied with warm and cold water.

The grounds are ample, and well arranged for recreation, and the various calisthenic exercises—so essential to health, graceful movement and symmetry of form.
