LULL, Supert estimation of an invaluable medicine, which is destined to be as enduring as time itself. Hostetier's Stomach Bitters have proved a Godsend to regions where fever and ague and various other billous complaints have counted their vicinis by hundreds. To be able to state confidently that the "Bitters" are a certain care for the Dyspepsin and like diseases, is to the proprietors a source of un-aloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy-indispensable for the restoration of bealth. It operates upon the stomach, liver, and other digestive organs, mildly but powerfally, and soon restores them to a condition essential to the healthy discharge of the functions of nature. Nover fulls to eradicate outirely all the effects of Menory cury infinitely sconer than the most powerful prepara tion of Sarsaparila. ef the functions of nature. Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimularit peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evi-dence of thousands of aged men and women who have, experienced the benefit of using this preparation while suffering from stomach do-rangements and general debility; acting under the advice of physicians, they have abandoned all deletorious drugs and fairly tested the merits of this article. A few words to tho gentler sex. There are certain periods when their cares are so harassing that many of them and child is so absorbingly tender, that the and child is so absorbingly tender, that the mother, especially if she he young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravited. Here, then, is a necessity for a stimulant to recupe-rate the energies of the system, and enable the mother to beer up under her exhausting trials and responsibilities. Nursing mothers gene-rally prefer the Bitters to all other invigora-tors that receive the endorsement of physicians, because it is agreeable to the faste as
