Girdfa House, Philadelphia.

Prof. Chas. De Grath—I freely give it as my opinion that your Electric Oil is among the most wonderful remedies of modern times. At the carnest request of a lady, who alleged that she had been cured of a most painful affaction-by its use, I was induced to try a bottle, though at the time of purchasing. I fully believed it to be a quack medicine and a catchpenny humbur. But atrial convinces me that it passesses a magic power, and it will prove a blessing to suffering humanity.

I recently took a cold from alceping in damp sheets, and my neck became so much swollen and painful that I could not turn my head.

After using, without success, overything prescribed by my physician, I last evening tried your Electric Oil. This morning I am well, the relief having been as complete as it was instantaneous.

Yours, very truly.

THE LORD'S PRAYER, FOR SALE!

VALUABLE PROPERTY GIVEN A WAY! PRAYER by an engraving, and of ornamenting and arranging it in such a manner as to produce at once a model of neatness and tasts, was conceived and carried out by ORMSIV, the Celebrated Bank note Engraver, of New York City. It commences with exquisitively-oxecuted words of "OUR FAFIER," and then follow in succession the other parts of the Prayer, every phrase of which is engraved in the most elegant and tastoful assumpt.—Near the bottom of the picture is a superhyly executed head of OUR SAVIOUR, and encircling the upper part of the engraving are ten angels, each bearing one of the

TEN COMMANDMENTS. TEN COMMANDMENTS.

The engraving has received the most unqualified praise from the religious community, as there is nothing of a secturian character about it, having been recommanded by clerrymen of all denominations. As an ornament it is one of the most splondid ever published in this country, and is destined to take the place of a poorgr class of engravings. The size of the plate is 20 x 28 inches, and is unquestionably the cheapest ongraving ever offered in this country.

Who that loves Art—who that delights to study a fine engraving—who that would receive the impressions which such a work is calculated to impact, would fall to secure a copy when the price is only ONE DOLLAR, with the chance of securing for that sum in-addition, a permanent home or another valuable gif?

As a work of art this valuable and beautiful engraving is worth more than the dellar asked for it, as will readily be acknowledged on an inspection of it; but the subscribers intend to make a Gift Distribution to purchasers of the engraving, of valuable presents as follows:

THE LORD'S PRAYER. We have carefully examined this engraving, offered for a sale in this community by Messers. Austin & Wehrly, and do not hesitate to pronounce it one of the fluest works of American Art we have ever seen. The design is beautiful, the style of execution is superior, and the fluestrations are excellent. Its appearance will at once secure for it the admiration of a refined community, and recommend it to the Christian public. It is highly ornamental, and is calculated to exert a refining influence in a family, and an elevating and purifying effect upon the morals and religion of saclety, and it should meet, as we understand it deserves, with a rapid and extensive sale.
