Wood's Hair Restorative will restore the baid and gray, and preserve the hair of the youth to old age, in all its youthul beauty.

Battle Greek. Mich., Decomber 21st, 1858.

Pror. Wood: Thee will please accept a line to inform thee that the hair on my head all fell off over twenty years ago, caused by a complicated chronic disease, attended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I have not been able to obtain stuff for caps, neither have I been able to do them up, in consequence of which my head has suffered extremely from cold. This induced me to pay Briggs & Hodges almost the last cent I had on earth for a two dollar bottla of the Hair Restorative, about the first of August last. I have faithfully followed the directions and the baid spot is now covered with hair thick and black, though short, it is also coming in all over my head. Feeling confident that another large bottle would restore it entirely and permanently, I feel anxious to persevere in its use, and belag destitute of means to purchase any more, I would ask thee if thee woulds not be willing to send mean order on thine agents for a bottle, and receive to thyself the scripture declaration—"the reward is to those that are kind to the widow and the fatherless."
