STIFF NECK.

STIFF NECK. [Editor of Law Magazine Cured Instantaneously.] (Birard House, Philadelphia, Prof. Chas. Be Grath—I freely give it as my opinion that your Electric O.I. is among the most wonderful remedies of modern times. At the carnest request of a lady, who alleged that she had been cured of a most pulnful aff..ction by its uss. I was induced to try a bot-tile, though at the time of purchasing. I fully beliered it to be a quack medicine and a catchpenny humbug; But a trial convinces me that it possesses a magic power, and it will, prove a blessing to suffering humanity. I recently took a rold from sleeping in damp sheets, and my heck became so much swollen and painful that I could not turn my head. After using, without success, everything prescribed by my physician, I last evening tried your Electric OII. This morning I am well, the relief having been as com-plete as it was instantaneous.
