THE GREAT CLOTHING EMPORIUM OF THE UNION.—Philadelphia possesses the most splendid Cothing Emporium in the country. It is splendid as regards the pulatial structure in which the immense business of the establishment is conducted, and it is equally splendid in respect to its great facilities and wast resources. But to its patrons its chief attractions are, first, the elecance of the garments for Gentiemen and Youths, manufactured there; secondly, the beauty and durability f the materials, and the superior excellence of the fit, and lastly the moderate prices at which the goods are sold. Battle Creek, Mich., December 21st, 1858.

Prof. Wood: Thee will please accept a line to inform these that the hair on my head all fell off over twenty years age, caused by a complicated chronic disease, at tended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I have not been able to obtain stuff for caps, neither have I been able to do them up, in consequence of which my head has suffered extremely from cold. This indured me to pay Brigge & Hodges almost the last cent I had on earth for a two dollar bottle of thy Hair Restorative, about the first of August last. I have intifully followed the directions and the bald spot is now covered with hair thick and black, though short, it is also coming in all over my head Freling confident that another large bottle would restore it entitiely and permanently. I feel anxious to persevere in its use, and being destitute of mens to purchase any more, I would ask thee if the avoider not be willing to send me an order on thine agents for a bottle, and receive to thy-ell the scripture declaration—"the reward is to those that are kind to the widow and the fatherless."

I at once made application to the most skillful physicians in the country, but, receiving no assurances from them that my hair could agalu be restored. I was forced to become reconciled to my fate, until, fortunate ly, in the latter part of the year 1857, your Restorative was recommended to me by a druggist, as being the most reliable litair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired effect. DROF. DE GRATH'S ELECTRIC

PROF. DE GRATH'S ELECTRIC
OIL!

THE NEW PRACTICE.—Electric Cures.—Pain is the premonitor of death; relieve the pain and you check the disease.

AGE This Oil Acts on the System with Electricity.—Is of pure vegetable preparation, not the slightest danger of applying it outwardly or inwardly; it at once alves a permanent cure, in most cases, in from ten to twenty minutes.

The best physiologists of Europe have discovered that all organic deringement in the animal system is an of fact of the obstruction of the physice electric fluid in the organ discased—a skilful application of the Oil puts in immediate motion the nervous fluid, and the cure is at once accomplished. No bleeding, no vomiting, puryding or bilatering is resorted to.

Prof. De Grath's Electric Oil is the marvel of this age for the followeding, (not every thing)

Cures Rheumatism often in a day.

Cures Cramp in the Stomach, two minutes.

Cures Readache, fifteen minutes, ourse lieras, wounds, Bruilses, ene to three days.

Cures Ileadache, fifteen minutes, ourse lar Ache, Stiff Neck, Ague, one night.

Cures Ilea, Swelled Glands, ten days.

Cures Hemorrhage, Scrofula, Abcess, six to ten days.

Cures Ileans the morrhage, Scrofula, Abcess, six to ten days.

DEAFNESS CURED: NEW HAVEN. May 19th, 1850.

Prof. Da Grath—My brother has been deaf three years, and one bottle of your Electric vil cured him entirely. Yours, CLIFFORD R. SCRANTON. ANOTHER INSTANT CURE!~

Huntingdon, Pa., Sept., 1855.

I do certify that Prof. De Grath's Electric Oil is in fallable for Rheumatic pains. My wife for some time past has been greatly afflicted and unable to walk, has been cretored by the application of this oil almost instantangously. I can cheerfully recommend it to others.

JUHN WILLIAMSON. PILES.—Charles Sexton. Esq., ex-Mayor of Camden says six applications cured him. Almost cured his Rheumatism.

Girard House. Philadelphia.

Prof. Chas. De Grath—I freely give it as my opinion that your Electric Oil is among the most wonderful remedies of modern times. At the earnest request of a lady, who alleged that she had been cured of a most printial aff. ction by its use, I was induced to try a bot ite, though at the time of purchasing. L'ally-believed it to be a quest medicine and a catchpenny humbug But atrial convinces me that it possesses a magic power, and it will prove a blessing to suffering humanity.

I recently took a rold from sleeping in damp sheets, and, my neck became so much swollen and painful that I could not turn my head.

After using, without success, averything prescribed by my physician, I last evening tried your Electric Oil. This morning I am well, the relief having been as complete as it was instantaneous.

FOR THE SPEEDY CURE-OF Coughs, Colds, Influenza, Croup, Hoarseness, Bronchitis, Pneumonia, Diseases of the Bowels, arising from Cold,

tients in advanced stages of the latter disease.

ed stages of the latter disease.

The Balsamic Cordial is entirely a Vegetable production, combining the heeling properties of the Balsam, with the invigorating qualities of a Cordial, producing a combination so well adapted to the purposes Intended, that there are but few cases of diseases which will not, at an early peried, succumb to its healing and life giving properties.

For ages, has the treatment of pulmonary diseases occupied the greater portion of the attention of the scientific of the medical world, but rone acquired more eminence in his treatment of these diseases, than the celebrated Prussian Dr. Hoorland, the originator of the Balsamic Cordial. His life was devoted to the production of remedie that would stand univialed. How well he has succeeded, the American people are able to udge: and we positively assert, that no preparations that have ever been placed before them, have conferred the same amount of benefits on suffering humanity, or have elicited so many commendations from all classes of society, as the remedies of Dr. Heofland, prepared by Dr. C. M. Jackson & Co., of Philadelphia.

The Cordial is designed for a class of diseases more general and more fatal than any other to which the people of this country are subject—those springing from a "short coun." That eminent authority, Dr. Bell, says: "I will not say that Colds to our inhabitants what the Placux and Yellow Even are to those of other countries; but I can aver confidently that they unber in disease of greator compileity and mortality than these latter."
