The proprietors and manufacturers of HOSSETTER'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to the medical profession and the public in every State, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of mere advertising puffery. The consumption of HOSSETTER'S Stomach Bitters for the last year amounted to over a half-million bottles, and from that number steadily increasing, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in these sections of the country where the article is best known, who not only recommend it, but who have testified to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary means, but the result of the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself. HOSSETTER'S Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as a tonic, and in a simulant peculiarly adapted to combat declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and restoring the vitality of the system. It is the only medicine that has been proved to have cured thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomachic derangements and the diseases resulting therefrom.
