### HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOSTETTER'S CELEBRATED STOMACH BIT-TERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bit-ters for the last year amounted to over a halfmillion bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the prepara-tion, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements

this is not a temporary popularity, obtained by extraordinary efforts in the way of trumpoting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon

the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature. Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort the tastimum becumery adopted to comore declining years, as it is pleasant to the pulnte, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach de-rangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so have sing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternit arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under the chausting trials and responsibilities. The mothers gene-

rally prefer the Bitters to all other invigora-tors that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength. All those persons, to whom we have particularly referred above, to wit: sufferers from fover and ague, caused by malaria, diarrhea, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach. supergranuated invalids, persons of sedentary occupation, and nursing mothers, will consult

their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial. CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label. (

For ages, has the treatment of pulmonary diseases occupied the greater portion of the attention of the scientific of the medical world, but none acquired more emirance lifthis treatment of these diseases, than the celebrated Prussian Dr. Hobelasm, the originator of the Balsamic Cordial. His life was devoted to the production of remedies that would stand unrivalled. How well he has succeeded, the American people are able to 'udge: and we positively assert, that no preparations that have ever been placed before them, have conferred the same amount of benefits on suffering humanity, or have elicited so many commendations from all classes of society, as the remedies of Dr. Hedfand, prepared by Dr. C. M. Jackson & Co., of Philadelphia.

The Cordial is designed for a class of diseases more goderal and more fatal than any other to which the people of this country are subject—those springing from a "Billott cold." That eminent authority. Dr. Bell, says: "I will not say that Colds to our inhabitants what the Planck and Yellow Eyers are to those of other says: "I will not say that Colds to our inhabitants what the Placement Yellow Fever are to those of other countries; but I can aver confidently that they usher in disease of greater complicity and mortality than these

STIFF NECK.

[Editor of Law Magazine Cured Instantaneously.]

Girard House, Philadelphia.

Prof. Chas. De Grath—I freely give it as my opinion that your Electric Od is among the most wonderful remedies of modern times. At the earnest request of a lady, who alleged that she had been cured of a most painful affection by its use, I was induced to try a bottle, though at the time of purchasing, I fully believed it to be a quack medicine and a catchponny hugging. But a trial convinces me that it possesses magic power, and it will prove a blessing to suffering humanity.

I recently took a cold from sleeping in damp shoets, and my neck became so much swollen and painful that I could not turn my head.

After using, without success, everything prescribed by my physician, I last evening tried your Electric Oil. This morning I am well, the relief having been as complete as it was instantaneous.

Yours, very truly.
