IT IS A COMMON OBSERVATION that there are more sufferers from debility, among Americans, than can be found among any other civilited nation. The reason is obvious. We take to little exercise, and for-get the wants and uses of the body in the absorbing pursuits of busines. In all such cases, ordinary mell-cluse can do little good. What is required is just such a tonic and invigorators as Dr. J. Hostetter hus given to choes cut do little good. What is required is just such a tonic and invigorator as Dr. 2. Hostetter has given to the world, in his CELEBRATED "BITERIS" The veak nervous denirm of the counting house, the ex-hausted tailer up in the shop-based, and the prestrate a student of the midnight hamp have found a wonderful regenerator or in the "Bitters," and prefer it to more pretentions, but less efficiences mideines. But it should not be frighten that the agent which is so merg leaf in its influence upon a frame which is so merg leaf in its influence upon a frame which is merely doli listed, is equally powerful in assisting nature to expel the most terrible forms of disease. Who would not give it a trial?

### YOUTZ'S CELEBRATED Horse and Cattle Powders.

Horse and Cattle Powders. These Powders have proved, after a trial of several years, to be superior to any preparation of the kind in use. The child superiority of these Powders arises from the fact that they are composed of Medicines that have elects cruditles from the stomach and Intestines, the transitive Tonic and Purifying preperties. The laxative elects cruditles from the stomach and Intestines, the transitive Tonic and Purifying preperties. The laxative elects cruditles from the stomach and Intestines, the transitive strongth to the system of the Horse, and the purifying medicines contained in them cleanse the blood, and lay the foundation for a healthy and vigorous eirculation. The use of them luppoves the wind, strongthens the appelie and give his appearance, vigor and spirit of the noble animal. These Powders are not intended, as most powders are, to bleat the animal, so as to give him the appearance and and promote his general health. These Powders will strengthen the stomach faul in-testings, founder, Heaves, Stavering, Coughs. Loss of Appeltic, and Vital Energy, &c. These Powders, if used them to a healthy tate. They are a sure provention of Lung Fever, and a certain remedy for all diseases indident to the Horse, as Gianders, Vellow Water, Dis-tempers, Founder. Heaves, Stavering, Coughs. Loss of Appeltic, and Vital Energy, &c. These Powders, if used two or three times a week, through the winter and spring, your Horse will never get the Lung Fever, Colle-work Cough on any Ploreo. Were owners of Herses, to feed a low of these Powders very year, they might ave the lives of many valuable Horses.

#### MILCH COWS.

The properties this Powder possesses in increasing the quantity of Milk in Cows, gives it an importance and value which should place it in the hands of every person keeping a Cow. In fatteeing Cattle it gives them an apportio, loosens their hide, and makes them thrive much faster.

In all diceases of Swine as Coughs, Ulcers in the Lungs and Liver, &c., by putting from half a paper of these lowders in a harrel of Swill, the apove diseases can be curred or entirely provented. By using pared by S. A. FOUTZ, Wostministor, Bid. For said by REYNOLDS & Wostministor, Rice, and by all country storokeeper. Frie 26 cents per paper, or Eve papers for one dollar. (Aug. 23, 1861.)
