HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOS-TETTER'S CELEBRATED STOMACH BIT-TERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article lies attailed a reputation heretofore unknown. A few facts upon this point will speak more powerfully than this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million hottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could payer have been sold but for the record could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its flicacy in all cases of stomachic derangements

omeacy in all cases of stomachic derangements and the diseases rosulting therefrom. This is not a temporary popularity, obtained by extraordinary efforts in the way of trum-poting the qualities of the Bitters, but a solid ion of an invaluable medicine, which is destined to be as enduring as time itself.

. Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious, complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge

of the functions of nature. of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women the hear experienced the honefit of weing this who have experienced the benefit of using this preparation while suffering from stomach de-rangements and general debility; acting under rangements and general dealing, acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is upt to forget her own health in her extreme anxiety for her infant. Should the period of maternit arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recupe-rate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physipians, because it is agreeable to the taste as well as certain to give a permanent increase

of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhoa, eysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superannuated invalids, persons of sedentary apation, and nursing mothers, will consult their own physical welfare by giving to Hos-tetter's Celebrated Stomach Bitters a trial.

CAUTION .- We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters' blown on the side of the bottle, and stamped en the metallic cap covering the cork, and observe that our autograph signature is on the or Prepared and sold by HOSTETTER &

The Balsamic Cordial is entirely a Vegetable production, combining the healing properties of the Balsam, with the invigorating qualities of a Cordial, producing a combination so well adapted to the purposes intended, that there are but few cases of disease which will not, at an early period, succumb to its healing and life giving properties.

How well he has succeeded, the American people are gule to adjust and we positively dissert, that no preparations that have ever been placed before them, have conferred the same amount of benefits on sudering limmanity, or lave elicited so many commendations from all classes of society, as the remedies of Dr. He offand, prepared by Dr. C. The Cordial is designed for a class of diseases more general and more fatal than any other to which the people of this escultry are subject—those springing from a "smart com." Girard House, Philadelphia.

Prof. Clas. De Grath—I freely give it as my opinion that your Electric Oil is among the mest wonderful remedies of modern times. At the earnest request of a lady, who alleged that she had been cured of a most painful affection by its use, I was induced to try a bottle, though at the time of purchasing. I fully believed it to be a quack medicine and a catchpenny humbug. But a trial convinces me that it possesses a magle power, and it will prove a blessing to suffering humanity.

I recently took a cold from sleeping in damp sheets, and my neck became so much swollen and painful that I could not turn my head.

After using, without success, everything prescribed by my physician, I hast evening tried your Electric Oil. This morning I am well, the relief having been as complete as it was instantaneous.
