LOUTZ'S CELEBRATED Horse and Cattle Powders.

Horse and Cattle Powders.

These Powders have proved after a trial of several years to be superior to any preparation of the kind in use. The chief superiority of these Powders arises from the fact that they are composed of Medicines that have Laxytive Tonic and Purifying properties. The Laxative enerts condities from the stomach and intestines; the Tonic jeves strength to the system of the Horse, and the purifying medicines contained in them cleanse the blood and lax the foundation for a healthy and vigorous circulation. The use of them improves the wind, strengthens the appetite and gives the horse a fine, smooth and glossy skin—improving the appearance, vigor and spirit of the noble animal. These Powders are not intended, as most powders are, to bloat the animal, so as to give him the appearance of loging fit when not really or—but, to remove the disease and the provider are really or—but, to remove the disease.
