kinds with a large issortment of UTT CHAINS, HALTER CHAINS, REAST CHAINS, FIFTH CHAINS, OC CHAINS, TONGUE CHAINS, These Powders have proved, after a trial of several years, to be superior to any preparation of the kind in use. The chief superiority of these Powders arises from years, to be superior to any preparation of the kind in use. The chief superior ity of these Powders arkses from the fact that they are composed of Medicines that have Laxative Tonic and Purifying properties. The Laxative these that they are composed of Medicines that have Laxative Tonic and Purifying properties. The Laxative these that the second and intestines; the Tanic gives strongth to the system of the Horse and the purifying modifience contained in them islanes the blood, and lay the foundation for a healthy and vigorous circulation. The use of them improves the wind, strengthens the appetite and gives the horse a func-smooth and glossy skin—improving the appearance, vigor and spirit of the noble animal. These Powders are not intended, as most powders are, to bloat the animal, so as to give him the appearance of being fat when not really so—but, to remove the disease and promote his general health. These Powders will strengthen the stomach and in-testines, cleanse them from offonsive matior, and bring them to a healthy state. They are a sure prevention of Lung Fever, and a certair remedy for all diseases incident to the Horse, as Glanders, Yollow Water, Dis-temperis, Founder, Incarces, Savering, Coughs, Ibss of Appetite, and Yital Energy, &e. These Powders if used two or throw times a weak, through the winter and sprite, your Herge will nover get the Lung Fover, Colic or holts.
