A containing about 200 or 255 deres is offored for sale. This farm produced last year 1000 bushels of wheat, and herge quantities of coru and outs. There are excellent improvements on the farm, consist-ing of a new house, a good barn, a hog pen and corn-cills, spring house, bake over, and good water near the door. On the northorn side of the farm is located a limestone Ridge protecting the crops from the winds and furcishing the best of limestone for lime. There are about 100 arros cleared and the rest is covered with timber. With judicious liming the farm would pro-due 15 00 bushels of wheat.
