DELEGATE MEETINGS .- Don't forget the delegate meetings to morrow evening. In asmuch as the Democrats have refused to entertain any proposition for a gen ine union of all parties this fall; and have put a straight locofoco ticket in the field; it becomes us to see that we do not entirely fritter away our strength and organization by neglecting our primary meetings and permitting them to control the election to their own purposes. and the detriment of the most important interests of county and state. Again we say, don't neglect this all important duty.

WE ARE COMING FATHER ABRAHAM 300,000 Mone: - We have received from Mr A. Lenk, the beautiful song under the above e ption. The words are by Wm: Cullen Bryant, and the music by L. O Emmerson. The words breathe the true spirit of unionism and, when allied to the soul stirring music to which they are adapted, cannot fail to make glad the heart of every patriot Call upon Mr. L. and get a copy.

DARING ROBBERY .- On Saturday afternoon last, a young farmer from Dickinson township, (we could not learn his name) was in town, and had in his possession some \$80 He fell in with two soldiers from the bar racks, and being of a convivial turn, they vis ited a neighboring lager beer saloon, and cul tivated a rather intimate acquaintance with JOHN BARLEYCORN, E-q, The military gen tlemen then proposed a walk down the railroad, which was accoded to on the part of the gentleman of the horticultural pursuit -When the two had gone upon their way to a point a short distance below the gas house. the soldiers proceeded to lay the farmer very gently upon the ground, when they just as gently transferred the contents of his well filled wallet to their own pockets. On the next day, (Sunday) the farmer who by the way, had now lost his individuality and had however unwillingly, joined the inevitable flock of plucked pigeons,-applied to officers McCarrney and Martin, who at once went to the barracks to identify and arrest the offenders, but found that they had just stepped out-vamosed-skedaddled-or, to use a harsh er phrase, deserted, and this is the sad end of a sorrowful tale.

Two Mone. - We have again the painful duty to perform of recording the decease of two of our brave fellow citizens, who have fallen in defence of our liberties against the savage hordes of rebellion. The first, Ser geant WM. ZIMMERMAN, was 3d Sergeant of company A. 7th Reg P. V. R. C. and a nobler, braver patriot never drew a sword. He was severely wounded at one of the recent battles in front of Richmond, and it was nec. essary to amputate the arm near the shoul der. He was thought to be recovering, when he relapsed, and the suffering and exposure of those seven terrible days was found to be more than his constitution could bear up under. He died peacefully and calmly at McKim's hospital, Baltimore, on the morning of the 22d inst. His remains were brought home to Carlisle, and were followed to their final resting place, by a large num.

ber of friends and sympathizing citizens.

The second name is that of Thomas Lyne, formerly of our borough, who died at Culpepper Hospital, on the 9th inst. of wounds received at the battle of Cedar Mountain.

He was a member of company D. 46th P. V. and was about 20 years old at the time of his death. The following letter from his Captain to his brother Lywis F. Lyne, pays a landsome and deserved fill bute to his memory.

WASHING MADE EASY.-We were shown, a few days since, a washing machine with a wringer attached, now being manufactured by Mr. J. S. Lash, of this place, which we believe to be the best article of the kind we have seen. Its construction is simple and therefore not easily deranged. The most delicate fabremey be washed with this machine without the least danger of injury-a bank note may even be passed through without destroying it. We would advise all who are in want of a good washing machine to call and examine Mr. Lash's at his shop in East Louther street .- Democrat.
